

The Shoe Garden offers a pre-loved range in Size 10 and up where I will sell your shoes on consignment to my thousands of gorgeous customers around Australia and New Zealand.

Simply drop your shoes off at the shop, or post them to The Shoe Garden, with this completed form.

Please clean the shoes beforehand, wiping down the soles and the upper as I sell them as is.

You set the price for your shoes (I can advise if you wish) and there are three payment options listed below. Please remember, the sale price is what the customer pays and includes my commission.

Once sold, I will transfer your payment to your bank account or send a credit note to you within 5-7 business days (mostly much earlier).

I will display your shoes at my shop (and online) for 90 days. If they don't sell in this time, you will need to collect them or organise postage for their return. Alternatively, I can donate them to charity on your behalf.

The shoes do not have to be bought at The Shoe Garden, but they do have to be from size AU10 and up, should not be listed elsewhere and be in great condition. They can be in their original box or not.

Please complete the below information (just once is fine per drop off) and then complete the following pages for each pair of shoes.
