APRIL 24, 2022 / LIFESTYLE /

Mother's Day gifting does not have to be difficult however you do want to buy something for Mom that is useful so that it does not end up in the back of a closet! I've picked out a few "on trend" high quality gifts that are all priced between \$25 and \$300 so you won't break the bank—and I guarantee that Mom would appreciate any of them! These are all super crowd pleasers!

Searching for that one ring that goes with everything Mom wears? Look no further than the effortlessly sophisticated and super durable Can't Take My Eyes Off You ring. Designed to become a part of your everyday attire, this bold and elegant ring is more versatile than your favourite pair of denim. Check out Ever & Ivy's newest jewelry collection. Ever & Ivy's powerful philosophy is visible in each and every one of their iconic pieces. Their jewelry is inspired by the women who wear it and empowers them to confidently express all sides of themselves. Ever & Ivy combines passion and creativity to design pieces that evoke feminine power, self-love, and inner strength. This is an iconic line of statement jewelry that is handcrafted and so skillfully created, that the pieces are virtually indistinguishable from solid gold.
