## heimish Dailism Smudge Stop Mascara

## DAILISM SMUDGE STOP MASCARA

without worrying about clumps!

Neatly without smudging!

## LONG LASH WASHABLE MASCARA

**Curling / Volume**

## # VOLUME

**Double cutting  
volume brush  
that gives off  
dramatic volume**

## # CURLING

**Curved brush that  
emphasizes the  
lashes without  
clumping**

## Category

Make up / Mascara

## Volume/Price

9g / 14,000 KRW

## End benefit

Long lash, Curl fixing, Full volume, Tepid water cleansing, Washable mascara

## Selling point

Long lash washable mascara that applies neatly and without clumping

## Ideal for

- ✓ Those who has a problem with drooping eyelashes and short length
- ✓ Those who wants voluminous eyelashes with thin and short lashes
- ✓ Those who looks for washable type of mascara

## Characteristics

**#Long lash & volume effect without worrying about clumping**

Long lash effect that goes on as if it's extended, Full eyes with volume that doesn't clump up

**#Powerful curling, excellent long-lasting**

Curling effect that makes it hard to get droopy for a long time

**#Cleansing with tepid water without smudging**

It doesn't smudge easily with oil and sweat, but cleanses softly and cleanly with tepid water

**#Vivid deep black color**

Features clear and deep eyes with a vivid deep black color

**#Two brush types for creating the desired eye shape**

Full eyelashes like a doll!  
**LONG LASH & VOLUME MASCARA**

The double-cutting volume brush reduces the clumping of the contents, and applies the eyelashes neatly one by one without clumping, giving a dramatic volume effect.

No more eyelash perm and extensions!  
**LONG LASH & CURLING MASCARA**

The curved brush is optimized for the shape of the eyes, making it easy to use and naturally pulling up from the root to the end of the eyelash to give a close curling effect as if the length was neatly extended.

**※ Washable mascara for easy tepid water cleansing**

It is a film type that cleanses as the tube surrounding the eyelashes comes out, and it can be separated with tepid water without a remover, so it can be cleansed without irritation around the eyes.

## Howtouse

After taking off excess product from the container, apply with zigzag sweeping motion from the root of the eyelashes to the end.

## heimish Moringa Ceramide Pressed Setting Powder

Makeup finish setting powder  
'Silky texture blends seamlessly  
into the skin'
