Chapter 10: The Heart and Majesty of the Bhagavan

19:03:19	AG-Scribe: Namaste
19:04:46	AG-Scribe: homework: learn the 4 core verses
19:04:59	AG-Scribe: right in the middle of the book! Chapter 10. who memorized it?
19:06:10	AG-Scribe: with the shining lamp of knowledge! jnana dipena
19:06:25	AG-Scribe: also AHAM I AM statements
19:06:27	Sharon Hinckley: Namaste from La Jolla
19:07:25	AG-Scribe: jai Shri Krishna jai Radhe shyam jai Bhagavan
19:07:38	AG-Scribe: going deeper and deeper in to the heart of the matter or the heart of
	where matter comes from!
19:07:58	AG-Scribe: be in the right mood
19:08:19	AG-Scribe: the Ultimate Supreme Being and the Source of Everything makes a visit to a
	planet like ours == avatar
19:08:27	AG-Scribe: ava = to descend + tara = to heal
19:08:54	JA chants: guru mantras:
	Om guru brahma guru vishnu
	guru devo maheshvaraha
	guru sakshat para brahma
	tasmai shri guruveh namaha

The guru reveals Brahma, the creator The guru reveals Vishnu, the preserver The guru reveals Shiva, the destroyer The guru reveals the supreme Brahman I offer my respects to such a divine guru.

> Om ajna timirandhasya jnananjana shalakaya chakshur unmilitam yena tasmai shri guruveh namaha

I bow to the divine guru, who, with the torchlight of knowledge, has forced open my eyes that were blinded by the darkness of ignorance.

19:09:00	AG-Scribe: this seeing rishi
19:09:09	AG-Scribe: long distance seeing in many different ways
19:09:19	AG-Scribe: long term historical culture
19:09:23	AG-Scribe:

#299, Ch.7 v.19

bahūnām janmanām ante jñānavān mām prapadyate

vāsudevah sarvam iti sa mahātmā sudurlabhah

After many, many births in pursuit of divine knowledge, one finally surrenders unto Me alone, saying: Vasudeva sarvam iti 'Vasudeva is the vast source of all and is everything'. Such a mahatma is very rare.

19:09:46	AG-Scribe: we are here on a long journey
19:10:04	AG-Scribe: proven astronomically through texts in Mahabharata 7582 years ago
19:10:43	AG-Scribe: ** avatar – must understand the concept of avatar to be in the right mood
	and posture to receive and appreciate what Bhagavan is going to say without twisting or
	turning it
19:11:11	AG-Scribe: Prabhupada "Bhagavad Gita As It Is" – "as it was"
19:11:57	AG-Scribe: we are in the same lineage, but after intense, violent colonization of India
19:12:26	AG-Scribe: practitioner of a dharma culture. not a religion, blind faith culture
19:12:36	AG-Scribe: it's an evidentiary culture
19:12:42	AG-Scribe: the Bhagavad Gita is the one book if you don't have time to read the whole
	library. A short, concise, precise statement of who Bhagavan is and who we are == user's
	manual
19:13:09	AG-Scribe: if you only have the Bhagavad Gita you have the essence of entire Vedic
	library. don't have the benefits of whole library though
19:14:45	AG-Scribe: English twisted and distorted the language and culture. they are untwisting it
	still
19:15:28	AG-Scribe: this movement has been trying to happen for a while but it's been in
	recovery, taking a while. every plan has to be enacted in the right context.
19:16:03	AG-Scribe: troubled times in the world === hundreds of millions of people coming to
	yoga! purpose of yoga – to reembody. most yogis coming back reincarnating as females
19:16:28	AG-Scribe: Ch. 10 – Bhagavan revealing himself as an avatar

19:17:00	AG-Scribe: Abrahamic religions very different – distant Supreme and sending a prophet. coming in person is absent from other ancient literate traditions
19:17:17	AG-Scribe: Bhagavan about to explain Himself in considerable depth
19:17:37	AG-Scribe: XXXX it's not "it's all one"
19:17:50	AG-Scribe: do you look around and only see ONE reality??? literally??
19:18:35	AG-Scribe: each one of us is a distinct individual. Bhagavan is also a distinct individual. Bhagavan came to earth talking in a relaxed, friendly voice to his human best friend Arjuna who is like us and is explaining Himself in a very approachable kind of way, user friendly
19:18:45	AG-Scribe: Ch. 2 explains you are an atma, a dehi

#60, Ch.2 v.13

dehino 'smin yathā dehe kaumāram yauvanam jarā

tathā dehāntaraprāptir dhīras tatra na muhyati

Just as a person grows within their deha 'perishable body' from childhood to youth to adulthood and then to old age, so at the death of the deha, their dehi 'immortal consciousness' migrates to another deha. One who understands this is not confused by these changes.

19:19:04	AG-Scribe: just as a human being changes their clothes from life to life, so the immortal self changes bodies
19:19:33	AG-Scribe: sam sara = swimming from life to life, from body to body, in order to
	experience being here within the realm of matter
19:19:51	AG-Scribe: this realm is a reflection of the realm where Bhagavan permanently lives and
	where we came from before we went on this particular journey
19:19:57	AG-Scribe: we are on an epic existential journey
19:20:09	AG-Scribe: each one of us is an immortal atma who chose to be on this journey
19:20:51	AG-Scribe: love = lobha = greed. only word we have for love though in English
19:21:21	AG-Scribe: we are hungry for, greedy for = lobha. like holding a baby
19:22:03	AG-Scribe: seems to be the great big important experiences of being human
19:22:22	AG-Scribe: even pets are as hungry for intimacy as us
19:23:22	AG-Scribe: we and Bhagavan can have that type of relationship = bhakti – Prabhupada
	was the first to come from India and teach this. that you can have a loving relationship
	with Bhagavan
19:23:32	AG-Scribe: the incredible feeling you get when you love == PREMA
19:24:05	AG-Scribe: I have so much respect and feeling for you
19:24:08	AG-Scribe: su prema = supreme
19:24:34	AG-Scribe: the Supreme Being of Everything wants to go out on a date with us and give
	us our first kiss. what church youth group ever told you that???
19:24:46	AG-Scribe: smooching with the Supreme Being. not even snuggling
19:24:53	AG-Scribe: the Abrahamics are saying, don't hurt me!!!
19:25:32	AG-Scribe: a moooood. "i'm in the mood for love"
19:26:00	AG-Scribe: inconceivable = achintya
19:26:17	AG-Scribe: can hardly think it that the Ultimate Supreme Being wants to be intimate
	with us, just as we wanted to be with our pet or baby or beloved
19:26:29	AG-Scribe: we've all tasted it and gone crazy for it. I will die for love
19:27:03	AG-Scribe: why can't we go all the way??
19:27:13	AG-Scribe: put yourself in this mood

19:27:34 AG-Scribe: Krishna is available to love humans

- 19:27:52 AG-Scribe: He came down and played all the games lila as the Supreme Being
- 19:28:03 AG-Scribe: this is what Krishna as an avatar does, His particular avatar role
- 19:28:17 AG-Scribe: other avatars do other things play other roles with their avatar
- 19:28:33 AG-Scribe: He had all the loving emotions except He's the Supreme Being
- 19:28:38 AG-Scribe: have to get this or miss the whole Bhagavad Gita
- 19:28:54 AG-Scribe: take the Bhagavad Gita in the soft tone it was spoken. Because you're My dear friend, you're never envious of Me. you don't want anything from Me, just an open-hearted, simple affection for Me
- 19:29:20 AG-Scribe: listen from there, not intimidated, hold the right mood and you will hear the Bhagavad Gita

19:29:45 AG-Scribe: **#373, 10.1**

- 19:30:06 AG-Scribe: param nature = within Brahman, ultimate, immortal, always true
- 19:30:11 AG-Scribe: He is revealing His ultimate nature
- 19:30:37 AG-Scribe: rishis, devas. maharishis = can see ultimately everything that a jiva atma can see

19:31:19 AG-Scribe: **#374, 375**

- 19:32:00 AG-Scribe: He is Loka Maha Ishvara. loka = realms of existence, maha = greatest, Ishvara = controller
- 19:32:48 AG-Scribe: just by knowing who He is correctly as the Loka Maha Ishvara completely released from all negative actions you have gathered previously from your actions

19:32:52 AG-Scribe: **#376-378**

- 19:35:11 AG-Scribe: important! each jagat each universe with all its different realms is a purposeful, cooperative venture by the Supreme Being who brings them all into existence, designed them all
- 19:36:01 AG-Scribe: think of existence as a project brought into being by all these different beings
- 19:36:19 AG-Scribe: all the cooperative activity of many different beings cooperating together with skillsets. just like your house was or the dinner you went out for
- 19:36:22 AG-Scribe: not a big leap. its a logical conclusion!!! from all our experience
- 19:36:39 AG-Scribe: that's all we know actually. but scientists make themselves the most
- intelligent kids on the block and say the rest of the world is random...???

19:37:22 AG-Scribe: **#379**

- 19:38:03AG-Scribe: everything the whole shebang He put it all together out of His yoga. His
going in a yoga state and invented existence. would you like to meet the inventor??
- 19:38:20 AG-Scribe: once you've made that link why would you give it up??
 19:38:36 AG-Scribe: if you were living in the most perfect place possible you could imagine, why would you want to leave?!?! that makes so much sense!
- 19:39:03 AG-Scribe: and now... the 4 core verses...

FOUR CORE VERSES CH. 10 V. 8-11, #380-383

aham sarvasya prabhavo mattah sarvam pravartate iti matvā bhajante mām budhā bhāvasamanvitāh

maccittā madgataprānā bodhayantah parasparam kathayantaś ca mām nityam tuşyanti ca ramanti ca

teşām satatayuktānām bhajatām prītipūrvakam dadāmi buddhiyogam tam yena mām upayānti te

tesäm evänukampärtham aham ajñänajam tamah näsayämy ätmabhävastho jñänadīpena bhäsvatā

I am the source of everything; from Me the entire creation flows. Knowing this, the wise adore Me with all their hearts.

Their thoughts dwell in Me, their lives are surrendered unto Me, and they derive great satisfaction and bliss enlightening one another and conversing about Me.

To those who are constantly devoted and adore Me with purest love, I give the understanding by which they may come to Me.

Out of compassion for them, I, who am dwelling within their hearts, destroy the darkness born of ignorance with the shining lamp of knowledge.

19:41:07AG-Scribe: JA hopes he remembers to say that at the moment of his demise19:41:11AG-Scribe: along with om krato:

Vayur anilam amritam athedam bhasmantam shariram Om krato smara kilve smara kritam smara

(V.17, Ishavasya Upanishad)

- 19:41:36 AG-Scribe: please remember me at this awkward moment the way I have remembered you throughout my life
- 19:41:51 AG-Scribe: being embodied is practice for being disembodied
- 19:42:01 AG-Scribe: don't confuse your vehicle here and your true core self here == yoga
- 19:42:17 AG-Scribe: be in a prema intimate ecstatic relationship with Bhagavan
- 19:42:20 AG-Scribe: a relationship of your choosing
- 19:42:31 AG-Scribe: like you have been practicing here but on another level
- 19:42:37 AG-Scribe: this is being offered to us jiva atmas in the Bhagavad Gita
- 19:42:56 AG-Scribe: **#384**
- 19:43:05 AG-Scribe: Arjuna says amazing truths about Bhagavan
- 19:44:05 AG-Scribe: **#385**
- 19:44:52 AG-Scribe: ritam = underlying rules or laws of nature. dharma = adhering to them. karma = working with them. ri, dhri, kri
- 19:46:01 AG-Scribe: **#386, 387**
- 19:47:07 AG-Scribe: some people say "I'm Bhagavan." No dummy, you're not. the all-one persons say that.
- 19:47:21 AG-Scribe: no, you're an atma, you're not the Source of Everything
- 19:47:48 AG-Scribe: Bhagavan IS and wants to be our lover, best friend, most intimate... achintya! unthinkable??

AG-Scribe: questions? cams on please
Q&A – Reivin: no concept of "god" as a person in other "religions". Isn't this everyone's
issue, that we can't conceive of Krishna as a person?? the conundrum!!
AG-Scribe: we don't need to break their spell! even if they are under the spell of maya
AG-Scribe: how do we subtly, carefully be true to ourselves living this and not shove it
down other people's throats. beware too much enthusiasm, though its just the
excitement of being madly in love!
AG-Scribe: protect our own bhakti first, our own heart
AG-Scribe: learn your svadharma and find the best, strategic way to utilize that body but
be discerning, who wants to hear from us and who doesn't
AG-Scribe: adi kaari
AG-Scribe: play a game of cat and mouse with the people who are not ready to hear yet
AG-Scribe: be subtle
AG-Scribe: "a reluctance to sell creates a willingness to buy"
AG-Scribe: the Krishna mantra
AG-Scribe: Krishna is the mot attractive being
AG-Scribe: Yahweh is the most shovey, pushy being
AG-Scribe: which is more attractive?
AG-Scribe: 7 veils or full-on naked, no mystery?
AG-Scribe: take this ring!! pushy sales don't work
AG-Scribe: When Harry Met Sally – "I'll have what she's having"
AG-Scribe: the secret of bhakti!
AG-Scribe: don't show the wrong person too much ecstasy
AG-Scribe: won't have the right effect
AG-Scribe: adi kaari!!!!
AG-Scribe: be considerate - consider the adi kaari of the individual
Sharon Hinckley: Starting to actually understand some of what is being said. A lot of
mis-information or missed information to slog through to get to these golden kernels
Comment – Andrea G: #379 v. 7 really flows into v. 8 the first of the four core verses.
can really feel it
AG-Scribe: This is where the word acharya comes in
yad yad ācarati śresthas tat tad evetaro janaķ

sa yat pramāņam kurute lokas tad anuvartate

Whatever actions are performed by a great dharmic leader or acharya 'one who lives the noble truths that they teach', people are inspired to imitate their actions, and whatever standards they set by their personal example, the whole world pursues.

19:58:41 AG-Scribe: the purpose of the guru is that they have incorporated the knowledge into their own self and are fully embodying it, a constant in their daily life
 19:59:29 AG-Scribe: no longer just jnana, but vijnana = revealed. If the person receiving the knowledge is adi kaari, it lands == drishti, darshan = giving the vision to another. Bhagavan waits for the just right moment until you are ready. Bhagavan is in a state of

foreplay with us and we are just children, we are not grown up enough yet to truly be with Bhagavan. Can't rush a child to grow up; there's a perfect moment when they are ready. Worldly metaphors help us understand how Bhagavan sees us. It feels like a dangerous relationship. We don't think it's us going out with Bhagavan on a first date. We don't think Bhagavan is courting us. 20:01:24 AG-Scribe: He's asking us without pushing... what kind of relationship would you like with me? 20:01:31 AG-Scribe: I don't know yet - I'm still a bit scared... I'm just getting used to the idea. You're the source of everything!! but I can be intimate with you? I heard you're dangerous and hurtful and love roasting people forever. 20:02:27 AG-Scribe: we're so disappointed, we don't even ask for details like that 20:02:43 AG-Scribe: ask the scientists – the intimate details about the source of everything that they are working with all day long? they have no clue 20:03:00 AG-Scribe: ask the fear-based religionists why they're doing what they're doing? They may say love, but if you ask what is love they don't know what to say, have no words for it, for what they're doing. Has not been taught... 20:03:11 AG-Scribe: how do you force someone to love at the point of a gun? 20:03:27 VASA - Jeffrey Armstrong: with blue skies, flowers, sunsets 20:03:37 AG-Scribe: Bhagavan has ben courting us all this time?! Dropping little hints like the flower you walked past today... 20:04:18 AG-Scribe: these are games! Bhagavan plays games! AG-Scribe: get over yourself. get over that feeling of fear, that it's dangerous 20:04:33 20:04:45 AG-Scribe: just don't do dumb things and get papa later, karma 20:05:02 AG-Scribe: once you've entered into this relationship all that fear goes away. Then you realize you've been invited to learn what love really is 20:05:27 AG-Scribe: #385 20:06:03 AG-Scribe: person to person. all these rishis in the past heard this, and now he's giving it right to Arjuna 20:06:12 AG-Scribe: #386-394 20:09:38 AG-Scribe: Sama Veda is not just recited but sung! AG-Scribe: there are secrets behind all these things he's saying 20:11:00 20:11:24 AG-Scribe: #399 20:11:50 AG-Scribe: 7 headed horse, 4 headed elephant, churning of milk ocean... huh?! switched into another realm of understanding 20:12:16 AG-Scribe: hidden in the Sanskrit and in the vedas. these are just summaries to all these details - an invitation to learn the rest of it!! AG-Scribe: this is the summary "I am the best of everything" chapter, the best of that -20:13:14 that's me, the best of everything - that's me! AG-Scribe: #400 20:13:23 AG-Scribe: cows in Brahman?? 20:13:52 20:14:07 AG-Scribe: 3/4 realm of inconceivable reality from which everything has emanated and there are cows there 20:14:17 AG-Scribe: it's not just a white light or all-one?? AG-Scribe: all here is all a reflection of what is in Brahman 20:14:37

20:15:37 AG-Scribe: kama deva = driving force of creativity 20:15:54 AG-Scribe: #401 20:16:45 AG-Scribe: #401 20:19:21 AG-Scribe: #405-407 20:22:40 AG-Scribe: #59 - month bridging November and December Krist-Mas?!
