

Worshiping God is our primary calling and greatest honor. In *Next Wave*, Bob Sorge paints a clear picture of the new ways God will be moving through the ministry of worship in this next season. His history with the worship movement brings understanding to the powerful prophetic insights he shares in each chapter. I absolutely love this book and encourage everyone to read it!

Lead Pastor, Deeper Fellowship Church, Orlando, FL

Grammy Award-nominated Worship

Leader and Songwriter

Bob Sorge has helped shape the modern-day worship and prayer movement. His teachings and resources have brought a voice of clarity and conviction to our worship leaders and musicians through the years. In

Next Wave, he helps us understand how the past moves of God have been preparing us for what's coming. I'm deeply grateful for Bob's ministry and its profound impact upon UPPERROOM.

Michael Miller

Lead Pastor, UPPERROOM Dallas

The Lord has enabled Bob Sorge to equip and inspire leaders for such a time as this. This book will help you process the uncertainties of our past season and ignite fresh expectation for the *Next Wave* that's coming.

Dante Bowe

Artist and Songwriter, Bethel Music

Unlike anyone I've known, Bob has a singular heart for worship and its value to the Bride of Christ. With in-depth insight on the temperature and culture of worship in the Church, Bob engages us in a necessary conversation: That no matter how our world changes around us, we must use the great weapon of praise and always be ready to capture the *Next Wave* of the Spirit.

Rita Springer

Single mom and lover of Jesus

Bob Sorge's voice to the worship community through the years has been invaluable. In *Next Wave*, he leads us brilliantly through an insightful synopsis of worship in the Church over the past sixty years, and then provides a bold vision for where worship is going in the Body of Christ. This is a must-read for all worship leaders.

Co-Author, *Reckless Love*

Bob is a father, mentor, and friend. His writings have inspired and equipped me personally, and now with *Next Wave* he provides fresh insight on worship that is

timely and revelatory. You're about to be better equipped to follow Christ and lead others in our hurting world. Everyone needs to get a copy and read it!
