Thinking of donating?

Before donating, ask yourself: “Would you give these clothes to friends and family?”

If the answer is yes! Then we would love your clothes!

1. Do thoroughly check each item to ensure they are not stained, ripped, or missing buttons. If it is a small fix, our team can mend these but please highlight the repair needed.
2. Do launder all items before passing them on to us!
3. Please don't donate: toiletries, food, children's clothes, men's clothes, bedding, fabric or shoes.
4. Do complete our short clothing request form and a member of the team will be back in touch with you.

Thank you

We are incredibly grateful for the donations we receive. By donating to Wardrobe Foundation you are keeping your clothing in circulation and supporting women who need it!
