

RING SIZING TEST

choose from our two methods of accurately measuring your ring size

*** FOR ACCURACY, PLEASE ENSURE THAT THIS PDF IS PRINTED AT 100% ***

PAPER SIZER TEST

- Print and carefully cut out the paper sizer
- create a slit by making a small cut on the dotted line
- slip the pointed end through the slit to create a circle

MEASURE : place around your finger and pull the pointed end to create a snug fit

CHECK : the number line located at "your size" slit is your ring size

be careful to not wrap too tight or too loose and try to ensure a snug fit

for accuracy do double check with someone's help

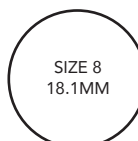

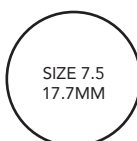

MATCH UP TEST

- Print out chart with ring size circles
- Find a ring that fits your finger *ensure that is the same finger you would like to wear your ring on*

MEASURE : place the ring on top of each circle until you find a perfect match

CHECK : it should match perfectly with the insides of your ring

for accuracy do double check with someone's help
