

ELLA

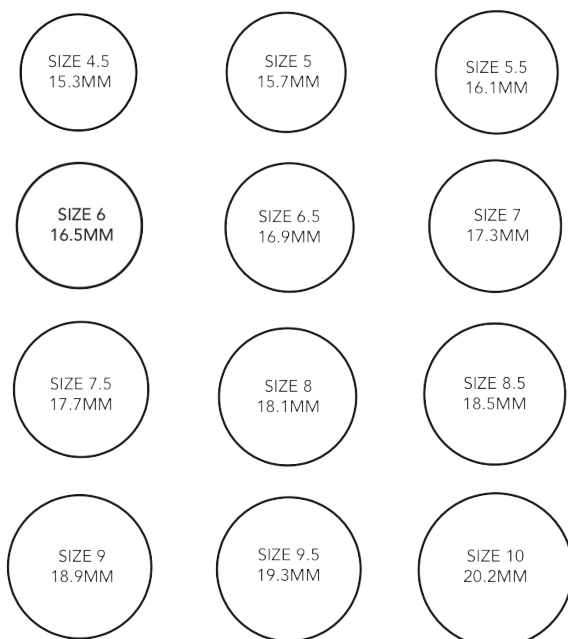

Ring sizer

(Ensure that this PDF is printed at 100% > A4 Size)

1. Print out and cut along the lines of the paper sizer
2. Create a small slit along the dotted line at the top of the sizer
3. Insert the pointy end of the sizer through the slit
4. Place the sizer around your finger and fasten it by gently pulling the pointed end until you achieve a snug fit
5. The number you see at the dotted line is your US ring size

OR

1. Print out and place on a flat hard surface
2. Find an existing ring that fits you nicely on the finger that you want to wear your Ella ring on
3. Place the ring on the circles to find the closest match
4. Ensure that the circle aligns with the inside of your ring
