### MODERN COLLECTION

- *After the Rain* is an exquisite white floral bouquet of lily and rose petals. Hints of airy ozone and sandalwood round out this fresh fragrance.

- *Apple Orchard* is a true "picked from the tree" apple freshness.

- *Beach Bum* is a tropical luxurious fusion of fresh mango and creamy coconut milk.

- *Black Currant Absinthe* is a captivating and sensual fragrance. With light traces of apple and delicate saffron threads, Luscious black currants and blackberries are the core of this fragrance. Warm base notes of anise and amber surround you in this sophisticated cocktail of a scent. Patchouli and cedarwood essential oils enhance the intensity of the dark fruit in this rich fragrance

- *Black Sea* sweet yet salty oceanic accords combine with an undercurrent of amber and vanilla. Geographically bridging modern-day Europe and Asia, the Black Sea was known to ancient civilizations as the end of the known world. Today, its shadowy waters are even rumored to hide the lost city of Atlantis. Hints of its mystery and intrigue combine to inspire this scent's seducing aroma.

- *Caramel Latte* brings the warmth of fresh brewed coffee to your home with this comforting, familiar fragrance. Top notes of just-ground coffee beans start this scent off strong, while a touch of sugar, cream and caramel add the perfect amount of sweetness.

- *Cran-Apple* is a luscious blend of tart cranberries, juicy apples, and spice.
