SCRUBTEC 343.2

Walk-behind scrubber dryer

- New 'No Tool' deck adjustment provides better brush assisted traction and increased manoeuvrability.
- Electronic flow control helps to reduce the total cost of ownership by simple regulation of the amount of water used.
- On-Board charger allows charging anywhere (OBC / Combi Model).
- Easy rear emptying through long drain hose.
- New cable-less squeegee control improves comfort by using a foot pedal lifting system. This new design also improves drying performance thanks to higher pressure on the squeegee and increased suction.
- Built in brush holder makes the machine easy to transport when not in use.
- Easy access to batteries and components for quick maintenance and servicing.
- All wheels including those on the scrub deck and squeegee are non marking. Off-set brush deck with wheel lets you clean close to the walls.

Technical Specifications

	Battery powered	Mains powered
Model	343.2 B	343.2 B COMBI
Cleaning width (mm/In)	430	430
Brush Pressure (Kg)	30	30
Squeegee width (mm)	720	720
Theoretical surface performance (m ² /h)	1720	1720
Tank capacity, Solution/Recovery (l)	31/30	31/30
Power source (V)	24	24
Brush motor Power (W)	450	450
Speed (RPM)	155	155
