INNOVATIVE SCULPTURAL  
ART

TRANSFORMING SPACES  
WITH LIGHT & REFLECTION

This collection is dedicated in memory of my incredible Aunty,  
Professor Marcia Lorraine Worrell,  
who sadly passed away very suddenly in April 2020.  
She was the light of my life, my safe place and best friend.  
She always made me laugh, taught me to dream harder  
and always believed in me.

LEAH DIOR

INNOVATIVE SCULPTURAL

ART

# Hi,

welcome to my collection of sculptural artworks.

Made from a variation of artisan mirror, wood and 24 carat gold. A fusion of geometric clean lines and neutral tones, balanced with an opulent warmth.

My vision is to lift your soul and elevate your lifestyle by injecting more light, life and glamour into your home.

*Leah Dior*

CIRCULAR  
ARTWORKS

# Chrysus

Named after the Ancient Greek spirit of gold, Chrysus is the ultimate personification of strength, exuberance and light.

Embellished with 24 carat gold, which boldly dances round its mirrored surface. Each shard hand cut before being laid into its elegant and minimal geometric form.

An Indulgent focal point within your interior, elevating your space with light, an ambiance of warmth, and opulence.

# CHRYSUS

### **Chrysus**

Wood and artisan mirror leaved with 24 carat gold  
110cm wide x 110cm high x 3cm deep  
Made to order, customisations welcome

## Inspired by the Greek goddess of heavenly light, who endowed gold, glittering and glory.

Theia is the noble embodiment of splendour, beauty and extravagance.

Artisan mirror embellished with 24 carat gold, created using tried and tested methodology of artistry and chemistry. Each shard hand cut and laid into its minimal linear design. Its ostentatious mirrored pieces, run parallel against a textured composition of clean white wooden lines.

A perfect balance of light and warmth, to bring a harmonious sense of timeless luxury to your interior.

# THEIA

Wood and artisan mirror with 24 carat gold  
size shown is 110 high x 110cm wide  
Made to order, customisations welcome

Aurous means ‘to contain gold’. Influenced by the artist’s scientific background and her studies in the wave nature of light, fused with her ideology of the element gold.

A modern twist on alchemy, artisan mirror adorned with pure 24 carat gold leaf, hand cut into clean minimal lines to form a carefully considered geometric design resting atop a square solid wooden base.

Created to introduce warmth and a sense of opulent glamour into your interior.

# AUROUS

**Aurous**

Wood and Artisan mirror with 24 carat gold leaf  
55cm wide x 56 high x 10cm deep  
Customisations welcome

Dásos means 'forest' in Greek, this ornate reflective jewel tells a story of an enchanted wood at sunset, a minimal yet luxurious depiction of a forest.

Artisan mirror leafed with pure 24 carat gold. This glamorous statement piece has been created using a modern marriage of craftsmanship and chemistry. Transversely divided between mirror and the intense contrast of wood with a rich black finish.

Intoxicate the air with a sultry sophistication and undeniably moody glamour.

SCULPTURAL  
WALL ART

## Minimal, Textured & Elegant

A glamorous and rich juxtaposition of hand cut mirrored shards, against layers of strong white textured lines, encased in a dark contrasting wood frame.

Sophia will throw out an interesting myriad of reflected light, creating a strong sense of space and luxury.

# SOPHIA

Mirror and wood

size shown of each art piece is 66.5cm wide x 66.5cm high

Available singularly or in a set of two

Made to order, customisations welcome

## Captivating, Calm & Pure

Living intensely in today's fast paced world gives Rainfall an important purpose amongst the chaos. This statement piece restores the balance of emotions, injecting a compelling sense of calm and serenity.

This contemporary multi panel artwork will create depth and texture, with its understated simplicity and elegance. Featuring strong melodic lines of wood, encrusted with over 2,718 hand cut fragments of mirror, each singularly and meticulously placed.

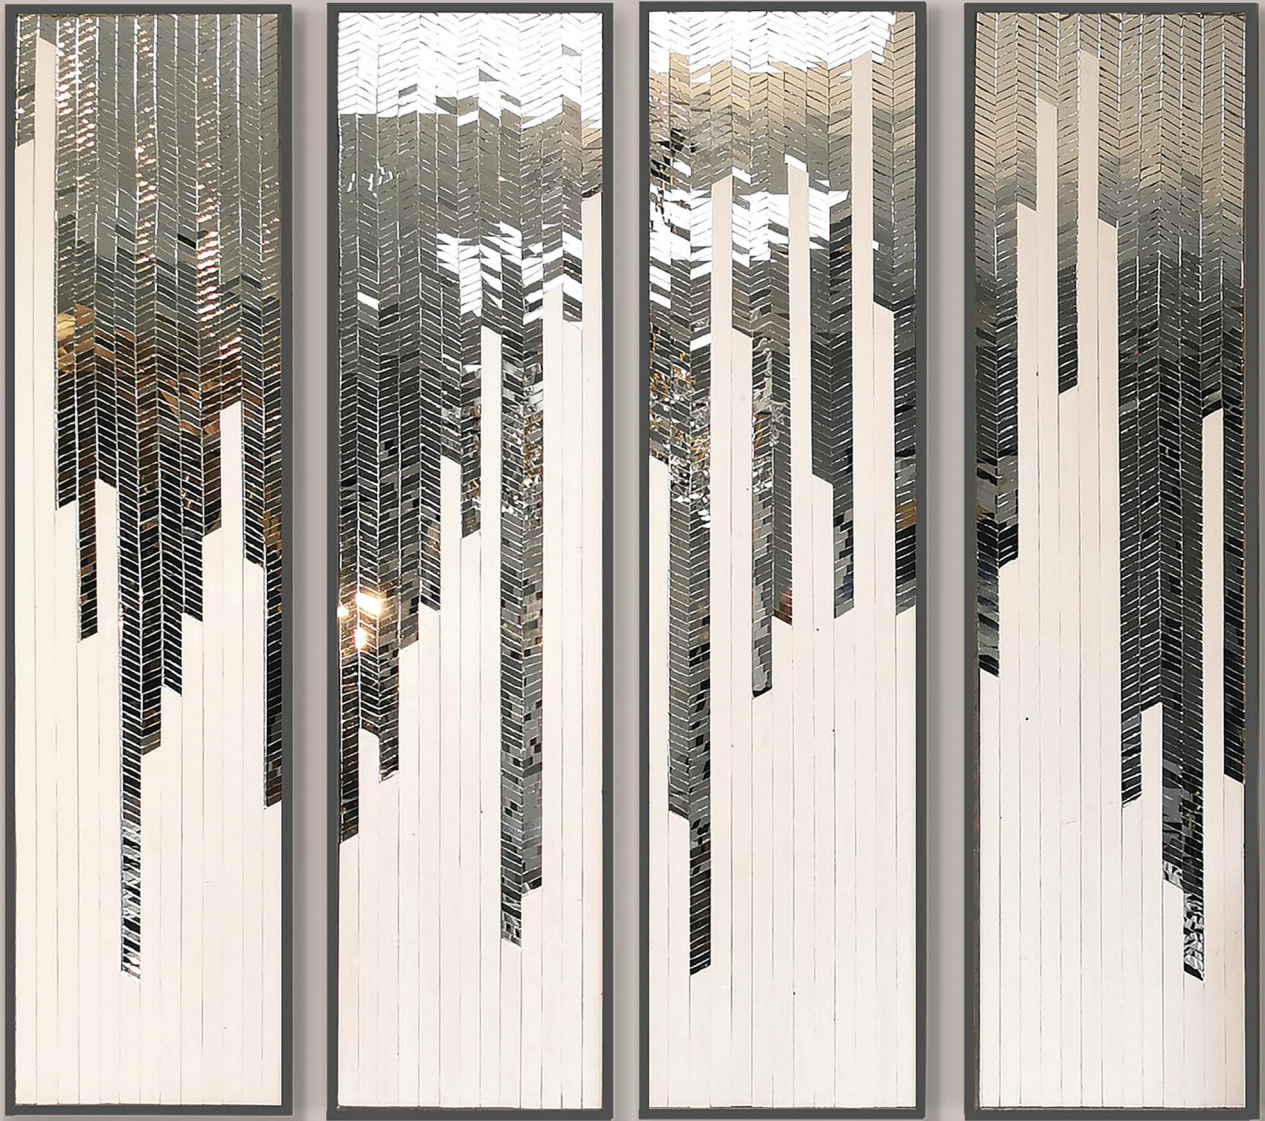

# RAINFALL

Mirror and wood.

Size of four part artwork shown below is 184cm wide x 170cm high

Made to order, customisations welcome

## Strong, Majestic & Timeless

Named after and inspired by the Greek God Midas, who turned everything he touched to gold. A constant reminder to be thankful and to appreciate this very moment.

A two part artwork featuring long linear lines of white finished wood, striking the perfect balance against the artisan golden etched mirror, finished with a contrasting dark wood frame.

This geometric artwork will create a bold yet elegant focal point and inject symmetry with its grand majestic spatial presence.

# KING MIDAS

Artisan glass and wood

Size of two part artwork shown below is 172cm high x 147cm wide

Made to order, customisations welcome

## Strong and Symbolic

The Phoenix tells a story, an artwork created through adversity, this three part sculptural piece carries with it extreme passion and determination. A sculptural emblem of strength, courage and tenacity.

Named after the bird of fire that rose from the ashes. Depicting an abstract representation of a bird with its wings outstretched.

This statement artwork will boldly throw out shafts of light, creating a focal point with its clean reflection lines and extravagant geometry.

Inject balance and symmetry into any space, made to inspire and create an ambiance of heroism.

# PHOENIX

Mirror and wood

Artwork size shown below is 160cm wide x 163cm high

## Meet Leah-Dior

A London based artist, raised in Crete, Wife and Mum to three, stepmum to two. Qualified in Art and Imaging Science specialised in the wave nature of light. She has created and sold artworks globally for past decade, featuring in publications such as Hello and Instyle magazine.

This artisan's soul mission through this collection is to inspire strength and bring the purity of light and life into your space. Commanding an ambiance of calm within the intensity of life, through the continuity of clean lines and neutral tones, in the form of mirror-encrusted geometric compositions.

“These sculptural artworks have a very important relationship with natural light, my vision is people will invest in this romance, to create a more harmonise and energized living space”

Artwork featured in both images is named Chrysus
