If you have travelled or are showing flu-like symptoms, please do not come to the store. We welcome you to shop online at safari-pet.ca

We reserve the right to limit the number of clients in our stores at one time, and may ask that you wait outside if we reach that limit

We also encourage you to use our online store if you are choosing to stay home.

Our online store is located at safari-pet.ca, and is available in English and French.

If you do not find the product you are looking for online, please do not hesitate to contact us by email at boutique@safari-petcenter.com Not all our products have been put up in our online store, but if you normally buy it in store, and we have it in stock, in most cases we will still be able to send you an invoice for payment, and then ship it to you. We are trying to help our customers in any way possible continue to receive the products they need for their pet companions.

Thank you for your continued support and patience through this difficult time,

Safari Pet Center Team
