## ABOUT

Welcome to Lucy Montgomery Collection, a series of refined homewares by Sydney-based interior designer and the design editor of Belle magazine, Lucy Montgomery.

The Collection comprises of a growing range of handmade pieces including sculptural plaster table lamps, mirrors and shell hooks.

Lucy's first release of furniture includes upholstered bedheads, ottomans, iron stools, plinths, side tables and rugs in collaboration with Cadry's.

Fabrics and wallpaper in the Collection's signature stripe and colours are also available for purchase by the metre.

Dressing a table has always been a favourite pastime for Lucy and her family — her tableware range of striped linen, ceramic crockery sourced from Italy, Murano glassware, candelabras, and raffia table accessories hope to create a fresh foundation for any table setting.

All are complemented by Lucy's signature range of tailored indoor and outdoor linen cushions, all with a choice of either brush fringe or piping.

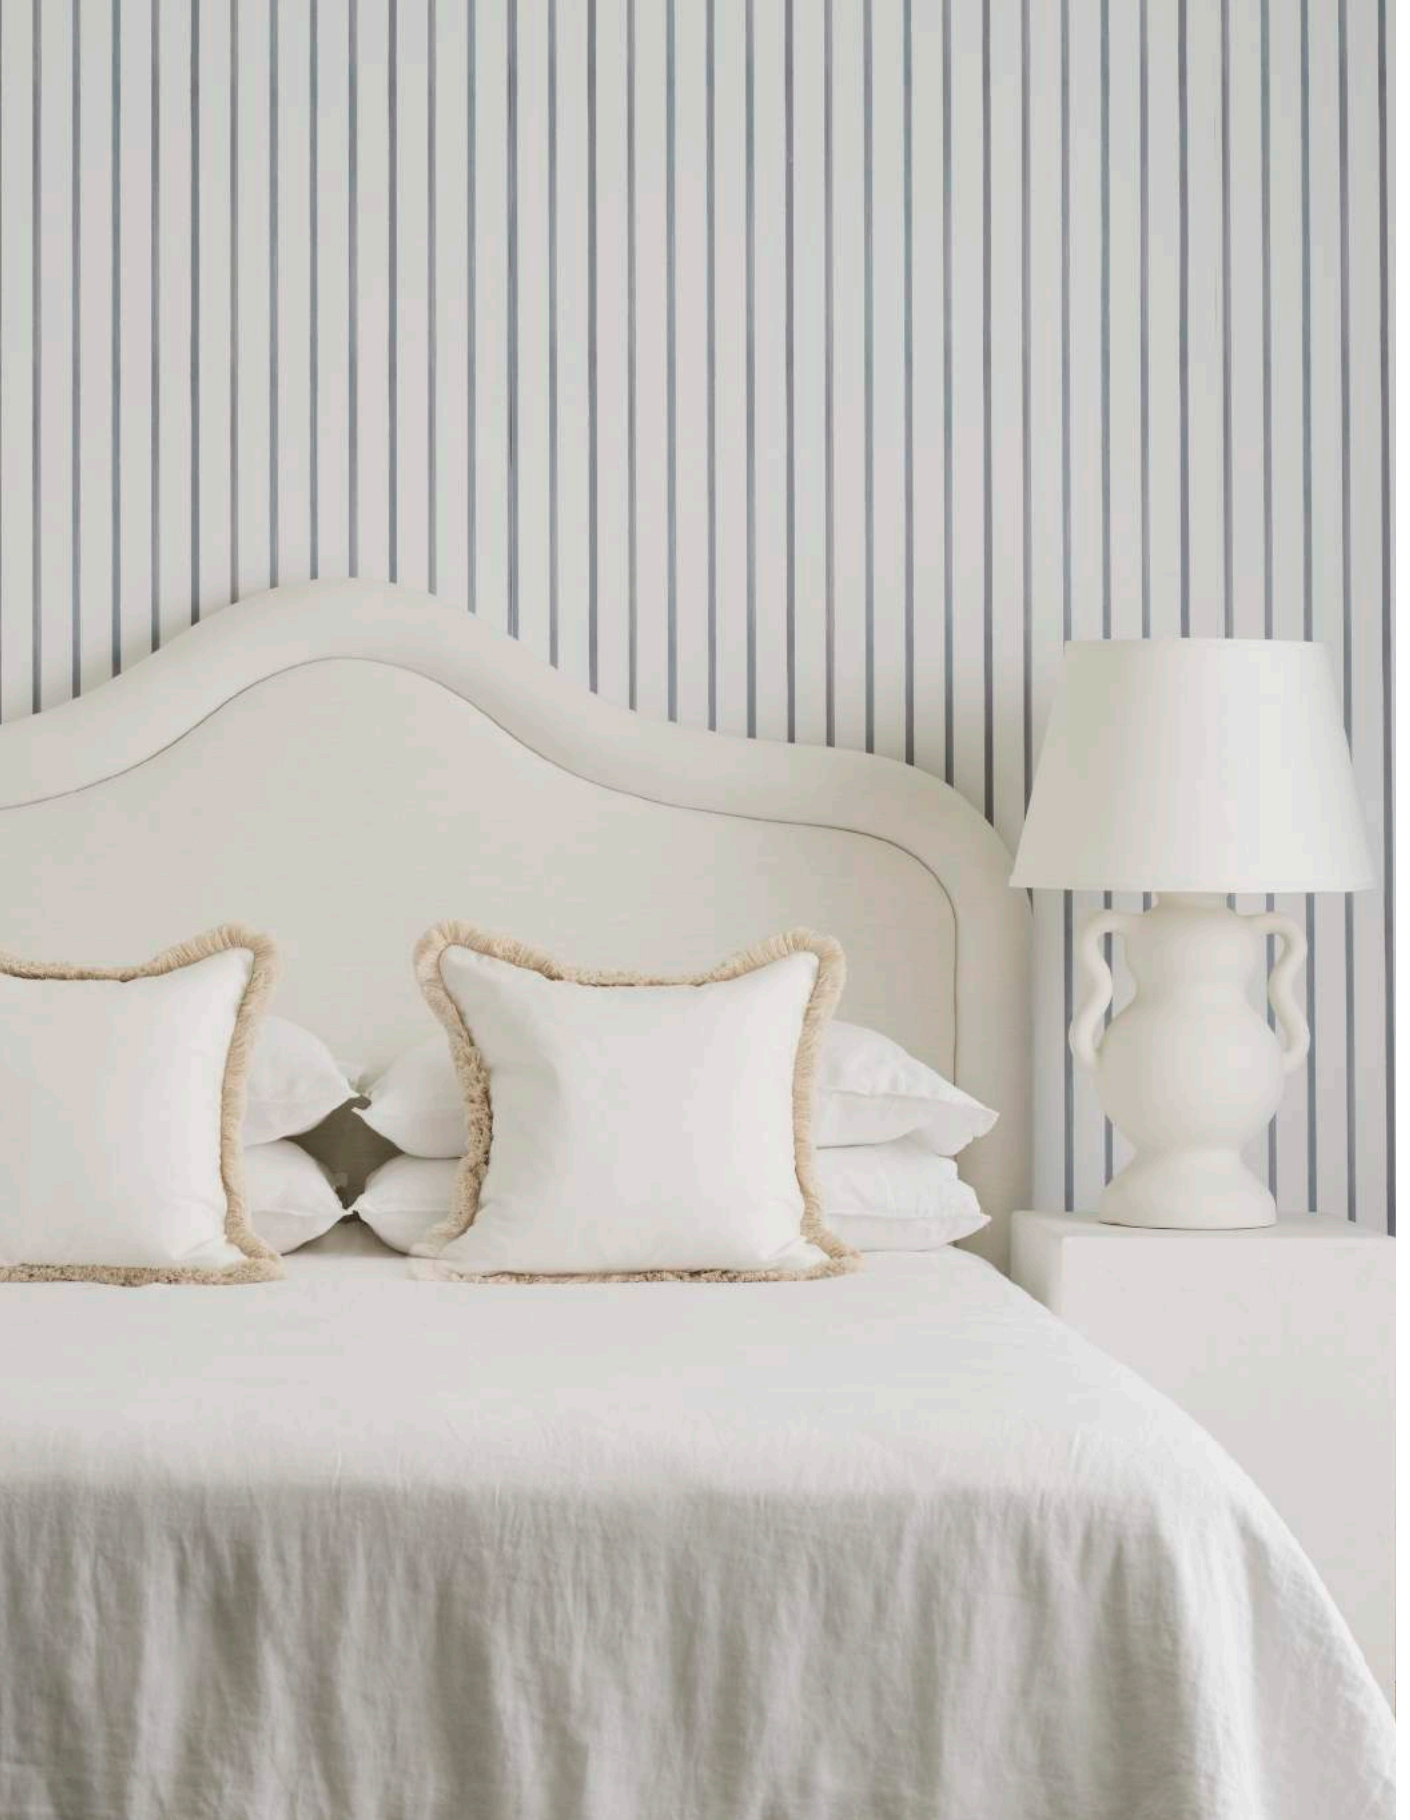

In addition to her own pieces, Lucy also stocks a curated selection of iconic international brands including Olatz bedlinen and Campbell Rey Murano Glasses.

Lamps  
Del Rio, Foglia & Minerva

## Del Rio

*“The Del Rio plaster lamp is a sculptural piece which draws inspiration from Spanish mission-style architecture. Meaning ‘by the water’ its name references the Collection’s Mediterranean influence.”*

## Foglia

*“The Foglia plaster lamp is a sculptural piece which enhances any interior by layering a new source of illumination, texture and colour. Meaning ‘leaf’ in Italian, its name references the fig leaf detail in the lamp’s handles, paying homage to a symbol used frequently in Northern Renaissance and Ancient Roman art.”*

## Minerva

*“The Minerva plaster lamp, named after the Roman goddess of wisdom, forges a seamless intersection of art and functionality. The curvaceous qualities of this lamp are also symbolic of the female form, adding personality and character to any interior scheme.”*
