

## CLEANING AND MAINTENANCE GUIDELINES

---

### PLUSFLOOR STONE EFFECT LVT GLUE DOWN TILE

#### PREVENTION

---

- Always protect floors when moving heavy objects to prevent permanent scratches and tears.
- Use appropriate wide floor protectors under tables, chairs, and any heavy furnishing to avoid permanent damage.
- Place walk-off mats at all entrances, it helps protect the floor from water, grease, sand and dust.
- During peak sunlight hours, the use of blinds or curtains is recommended. Prolonged direct sunlight can result in discoloration and volatile temperature variations causing damage to the floor.

#### ROUTINE MAINTENANCE

---

- Do not allow solvent to the seams, this may cause it damaged or become moldy.
- Routine cleaning is important to prevent particles from abrading the surface of resilient floors.
- Clean the floor surface regularly.
- General cleaning can be carried out by sweeping, vacuuming, wet wiping. For heavy soiling use a polyurethane cleaner.
- Use a dry cloth or vacuum cleaner for cleaning. When water or any cleaning liquid is used, please squeeze out all water for cleaning.
- All stain-forming and aggressive substances must be immediately removed from the surface.
- Periodically wax the floor surface to keep it always better.

#### INSTALLATION AND WARRANTY

All Plusfloor floors must be installed by a competent installer who will have the necessary skills and take individual site circumstances into account. The Plusfloor warranty will apply only to floors which have been installed by a competent flooring installer comparable to BS8201 in the UK or equivalent standard worldwide.
