

A REAL WORKING FARM SHOP AND RESTAURANT

FARMING THE PASSION FOR OVER 30 YEARS!

Our restaurant uses its position within a working farm to the maximum. All of our produce including meat, eggs, fruit and vegetables are used in the kitchen and the result is a traditional farmhouse menu. It is not uncommon to see dripping vegetables just harvested come into the kitchen and fresh eggs laid that day used in many dishes.

O FOOD MILES

We make a huge amount of the products that stock our restaurant & shop on-site from our bakery, deli, butchery, jam room right through to our ice cream and desserts...

WE DO IT ALL!

Like what you eat? Most of our products you can buy in the farm shop to take home.
