INSTRUCTIONS

WHAT'S INSIDE

Base Plates

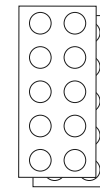

Guide

Color Bricks

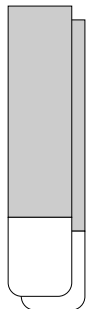

4x10 Plates

KEY

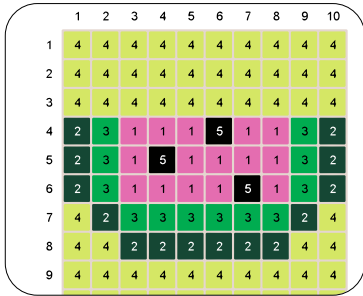

Hanging Strips

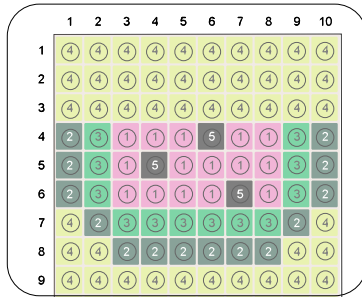

STEP BY STEP

1

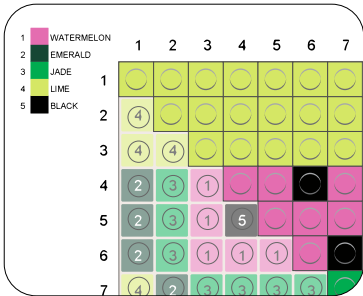

Grab one paper from the guide and place it on a flat surface.

2

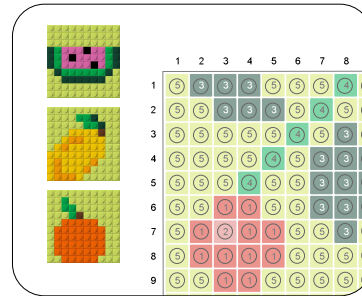

Place one of the base plates over the paper.

3

Match bricks to corresponding numbers. Make sure all bricks come out of the bag.

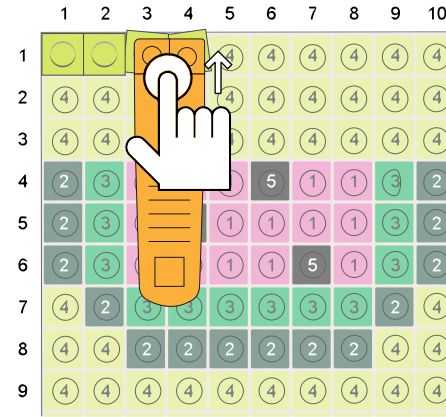

4

Repeat with the remaining base plates until done.

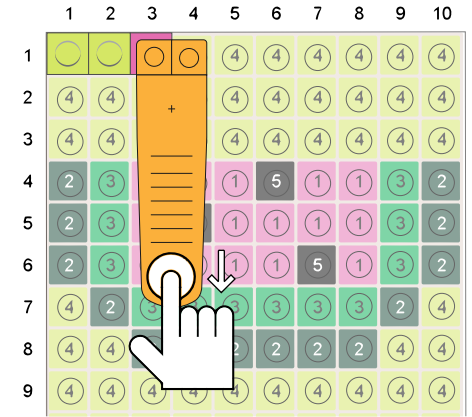

HOW TO USE THE KEY

TO ATTACH

Place two bricks on top of corresponding number and press firmly using the key untill they click. Repeat with following bricks.

TO REMOVE

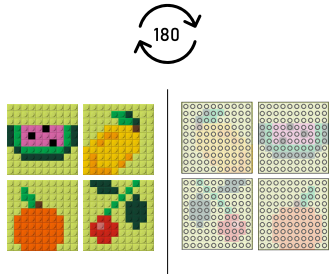

If you make a mistake, attach the key to the brick and push down on the back side of the key.

Attach the 4x10 bricks as shown. Press firmly to attach.

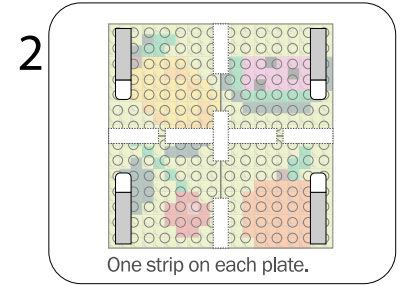

Base Plate

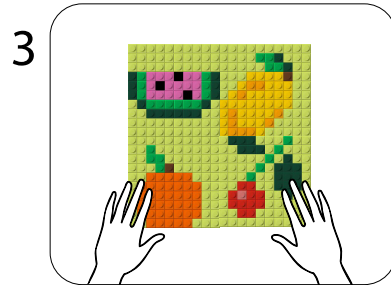

HANGING ON WALL

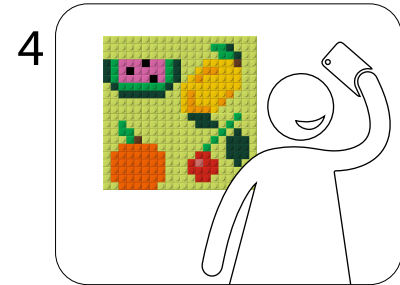

1 Wipe wall with rubbing alcohol.

2 Remove one side of liners. Stick strips on plates as shown.

3 Remove remaining liners. Press firmly to wall.

4 Show off your masterpiece! & tag us at @lovepixart

IF YOU HAVE MORE THAN 4 PLATES

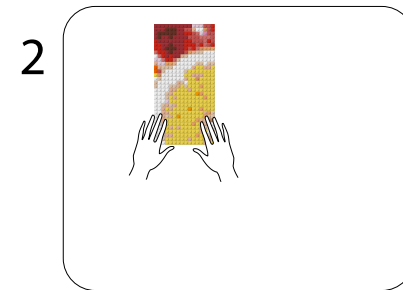

Do not attach all of the plates together. Attach smaller sets of two or four plates. make sure to be precise when hanging on wall so that all sets are aligned.

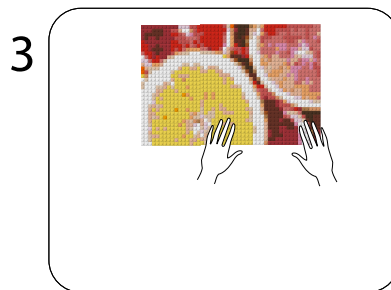

HANGING MORE THAN 4 PLATES ON WALL

Wipe wall with rubbing alcohol.

Grab the first set of base plates. Remove the liners from the hanging strips. Press firmly to wall.

Grab the second set of base plates. Remove the liners and align with first set. Press firmly to wall.

Repeat with remaining sets until done. Show off your masterpiece and tag us at @lovepixart!
