WHAT IS INSIDE

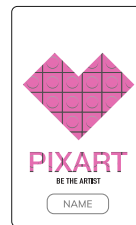

Base Plate

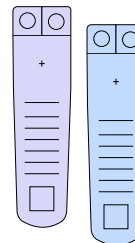

Guide

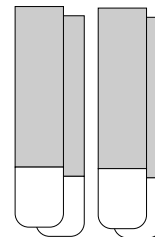

Bags with Bricks

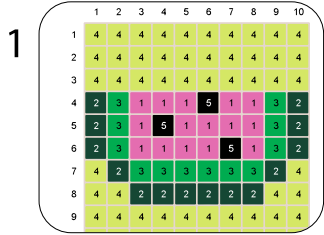

The Keys

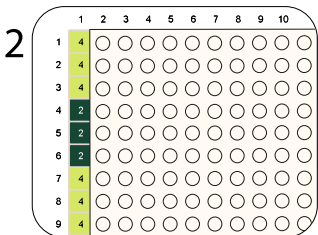

Hanging Strips

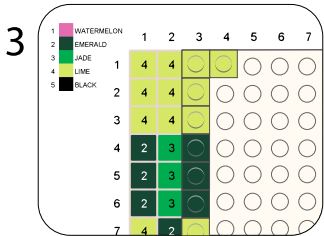

STEP BY STEP

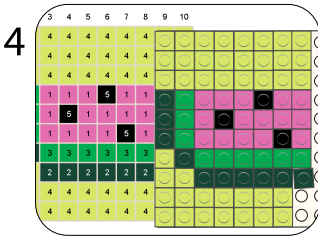

Grab one paper from the guide and place it on a flat surface.

Place the base plate over the guide and slide it to the right so that you can see one column.

Match bricks to corresponding numbers. Once you finish a column, slide the base plate to the right again and proceed.

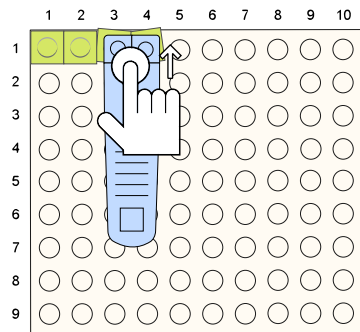

Repeat with all columns until finalized. Make sure all bricks come out of the bags.
