The significant developments and cultural achievements such as the

changing relations between Islam and the West (including the Crusades) are described in this new PowerPoint. The role of significant individuals such as Charlemagne, Eleanor of Aquitaine, William Wallace and Joan of Arc are also included

This new PowerPoint supplements the exercises and teachers answers in the book, The Crusades.

The era of the Crusades is one of the most turbulent, fascinating and significant periods of world history. In the early second millennium, the struggle for possession of the city of Jerusalem polarised the Eastern and Western worlds, creating a situation that appears strangely familiar more than 900 years later.

Medieval Europe

Fegan, Damien H01\$56.95

Perhaps no other era in history has been the subject of as much popular myth and misconception as the Middle Ages. This workbook contains background information and exercises on areas such as geography, trade, personalities, arms and armour, rural life, towns, trade guilds, heraldry, chronology, feudalism, fashion and fortifications.

Pilgrimage: Adventure Travel in the Middle Ages Sbeghen, Ken H05 \$56.95 A refreshing way of teaching about the

ordinary people in the Middle Ages. The story is of pilgrims as they trek from England across France and Spain to the shrine of St James at Santiago de Compostella. Modern teens can engage with this marathon trek and compare it to today's 'adventure holidays'.
