Minimum Advertising Pricing Policy

bambu[®] products maintain a perceived value greater than other similar products. Therefore, we have established a Minimum Advertised Price (MAP) policy to protect all resellers of bambu[®] products.

The bambu[®] brand of products is distinguished by our design, quality craftsmanship, certifications, packaging, and the other brand assets that make up the bambu brand.

This policy applies to all forms of reseller advertising including mailings, catalogs, displays and any and all forms of advertising media, including without limitation, the Internet and any other electronic network. Any price information relating to bambu[®] products on an Internet website which can be accessed directly through any transfer protocol (http) is considered to be advertising. Electronic mail sent in direct response to a customer inquiry is not considered to be advertising.

This policy is in regards only to advertised prices and does not relate to actual sales prices of any item. Furthermore, this policy applies equally to all distributors and dealers.

Online Retailers can promote specific prices and percentage-off sales within the store shopping cart where customer has placed items for purchase – and retailer can notify customers to place items in cart to see final price. Ads, notices, emails and online postings outside of the cart are forbidden to include this information.

Handling Violations:

We strongly believe in protecting the integrity of our high quality bambu^{*} brand of products, and the pricing for all members of our distribution and reseller network.

You will be notified by email of MAP pricing violations. Corrections to adhere to the MAP policy are expected within 24 hours of notice. Repeated failure to abide by this policy will result in suspension of future orders and affect any preferred pricing programs and quarterly rebates.

Please reference the attached MAP pricing information on the following page.

If you have any questions regarding this policy, please email <u>customercare@bambuhome.com</u>.
