# Single-Use Bamboo Straws

Replace single-use plastic straws and sip on nature with our all-natural alternative. Our certified organic bamboo straws are completely biodegradable and compostable. These all natural straws do not contain any glue or binders - pure bamboo.

Consistent and uniform-sized, these durable bamboo straws are sure to last the entire beverage.

- Made from 100% certified organic bamboo
- 100% biodegradable & compostable
- Sturdier than paper, more sustainable than plastic
