Diversity, Equity and Inclusion Statement

In pursuit of our mission, Green Planet Films firmly believes in recognizing and responding to the needs and views of everyone in our community, both local and extended. This community includes those who benefit from our film events, our media dissemination, and our educational outreach regarding challenges facing our global environment.

We will remain vigilant in ensuring that our organization’s culture will welcome and value people of all racial and ethnic backgrounds and will base our strategic marketing and development plans on respect, integrity and honesty.

We are mindful of creating a diverse, inclusive, and equitable organizational environment where all board members, staff, audiences and volunteers feel respected and valued regardless of gender, age, race, ethnicity, national origin, sexual orientation or identity, disability, education, or any other bias.

Green Planet Films is committed to being non-discriminatory and inclusive, and providing equal opportunities for employment, volunteering, and advancement in all areas of our work.

We value our board and leadership’s diverse life experiences and perspectives, and strive to include these viewpoints within our organizational policies, procedures and goals.
