

Klenz+

PRODUCT SUMMARY

In today's world, we're bombarded with toxins from all directions: the air we breathe, the food we eat, and even the thoughts we think. It's no wonder our bodies sometimes struggle to keep up with detoxifying all of this junk. The body becomes overwhelmed. This overload can result in a range of allergy symptoms, weight gain, digestive problems, skin issues, and even weaken our ability to fight off sickness.

That's where Klenz+ comes in. This powerhouse nutritional formula is like a superhero for your body, helping it neutralize and flush out toxins and impurities through the liver, kidneys, and bladder.

But why is detoxification so crucial? Besides feeling cleaner and lighter, a healthy detox process is key to maintaining a strong immune system. When your body is busy dealing with excess toxins, heavy metals, yeast, fungi, mold, and microbes, it's like trying to fight off invaders with one hand tied behind your back. By helping your body detoxify, Klenz+ helps support your immune system in its battle against harmful pathogens.

Klenz+ Contains 90 Capsules

KEEPING YOU HEALTHY WITH KLENZ+

- **Antioxidant Support:**
Help your body's defenses against harmful free radicals and keep your cells safe from damage caused by toxins and stress.
- **Liver Support:**
Support the health of your liver as it neutralizes and processes toxins. This is necessary for a healthy immune system.
- **Antimicrobial and Antifungal Action:**
Antimicrobial properties fight against the growth of unhealthy bacteria, yeast, fungi, and mold.
- **Heavy Metal Detoxification:**
Naturally chelate heavy metals with herbs that bind to these toxins and are ultimately released through urine or feces.
- **Kidney Support:**
Kidneys filter toxins from blood, excreting them through urine. Supporting kidney health aides in detoxification and maintaining overall well-being.
- **Immune System Support:**
Detoxification is directly linked to immune system support. That along with antimicrobial properties make Klenz+ a powerful choice to enhance immune function.

Klenz+

EXPERIENCE THE DIFFERENCE:

VerVita nutrition supports the body functioning as a whole; it nourishes and balances the energy flowing through every structure, organ, gland, and cell. A healthy rhythm and function are created as the formulas are designed to synergistically stimulate/relax and push/pull.

KEY INGREDIENTS OF KLENZ+

Amino Acids: **L-carnitine** helps transport fatty acids into cells for energy production, which can assist in burning stored toxins. **L-methionine** aids in synthesizing glutathione, a potent antioxidant crucial for detoxification. It supports the liver in processing and eliminating toxins.

Antioxidants: **Alpha Lipoic Acid** boosts other antioxidants like glutathione and aids in detoxification by neutralizing harmful free radicals and supporting liver health.

Herbs/Other Plant Extracts: **Spanish Black Radish** and **Milk Thistle Seed** support liver function and promote bile production for toxin removal. **Oregano** and **Olive Leaf** have properties that reduce inflammation, strengthen immunity, and fight bacteria, viruses, yeast, fungus, mold, and possibly parasites. **Resveratrol** fights inflammation, boosts the body's immune system, and helps clear toxins.

Lemongrass has antimicrobial properties and supports digestion while promoting a healthy gut microbiome. **Lemon** is a natural source of vitamin C and citric acid. It supports the liver and aids in the digestion and elimination of toxins. **Uva Ursi**, traditionally known for kidney support, fights inflammation and reduces unhealthy bacteria which supports urinary tract health. **Parsley** is rich in antioxidants, supports kidney function, and aids in toxin and heavy metal elimination through the urinary system. **Cilantro** is recognized for its ability to bind to heavy metals and assist in their removal from the body. **Turmeric** contains curcumin, known for its anti-inflammatory and antioxidant effects. It supports liver function, bile production, toxin elimination, and may regulate the immune system. **Black Pepper** contains piperine, which enhances the bioavailability of other nutrients, ensuring effective absorption and utilization.

Vitamins and Minerals: **Selenium** is a potent antioxidant crucial for detoxification. It boosts glutathione, helping neutralize harmful free radicals and remove toxins from the body. **Choline** is like a vitamin, vital for your liver, and a major player in detoxifying your body, especially from heavy metals. It helps make cell membranes and converts toxins into safer forms for removal.

*If you are pregnant or lactating, consult with your healthcare professional to determine if Klenz+ is right for you. Klenz+ is considered safe for children over 8 years of age. For children under 8, consult with their healthcare professional.

Supplement Facts		
Serving Size: 3 capsules		
Servings per bottle: 30		
	Amount Per Serving	Daily Value
