

Matrix Synergy®

PRODUCT SUMMARY

Matrix Synergy is formulated to support the structures and connecting parts of the body: bones, ligaments, joints, and tendons. These connecting parts are a scaffold for skin, the largest organ of the body. The long bones, spine, hip and shoulder bones play a vital role in manufacturing blood cells, which is important for a healthy immune system. Supporting healthy bones in turn supports the immune system.

The nervous system also benefits as it is calmed, nourished and restored with Matrix Synergy. This is especially important for the brain and its communication with the heart, the body's hardest working muscle with a large nerve supply. Start early by supporting the brain, heart, and structures of growing children with Matrix Synergy.

Life can stress the brain, heart, nerves, bones, joints, and tendons at any age. Injuries, accidents, and degenerative syndromes can occur. It should not, however, be an accepted fact that as one ages the body wears out. Promote *youthology*. Support restoration and continual mobility, strength and function with a healthy lifestyle and Matrix Synergy.

Matrix Synergy is also a support and rescue remedy for athletes. When injuries occur, restoration is needed. Mental focus, strength and endurance of the nerves, bones, joints and tendons are necessary for athletes to compete.

KEEPING YOU HEALTHY WITH MATRIX SYNERGY®

• Bones, Joints, Ligaments and Tendons

Matrix Synergy supports athletes and promotes repair from injuries and rehabilitation of bones, joints, connective tissues and nerves. Aging, chronic illnesses, poor diet, a sedentary lifestyle, and/or environmental stresses all affect these structures. Stay young and healthy at any age with the nutritional support of Matrix Synergy.

• Heart, Thyroid, Brain and Nerves

Calm the thyroid, which mediates communication between the brain and heart. Restore and calm the brain and nerves that connect and communicate with all parts of the body; including the heart's pacemaker, vagus and phrenic nerves and celiac plexus.

• Immune System

Matrix Synergy is anti-inflammatory and enhances the immune system by supporting the structures that make red blood cells.

• Skin, Hair Nails and Teeth

Junk food, environmental toxins and electromagnetic frequencies dehydrate and deplete the body of necessary nutrients. Hydrate and nourish skin, hair, nails and teeth with Matrix Synergy.

Matrix Synergy® Contains 90 Capsules

Matrix Synergy®

EXPERIENCE THE DIFFERENCE:

VerVita nutrition supports the body functioning as a whole; it nourishes and balances the energy flowing through every structure, organ, gland, and cell. A healthy rhythm and function are created as the formulas are designed to synergistically stimulate/relax and push/pull.

KEY INGREDIENTS OF MATRIX SYNERGY®

Chondroitin and **Glucosamine** assist in the formation and repair of cartilage; reduces joint pain.

Enzymes: Bromelain is useful for reducing inflammation and swelling.

Herbs: Echinacea is believed to stimulate the immune system and reduce inflammation. **Flaxseed Meal** is a source of vitamin F (essential fatty acids linoleic acid and alpha-linoleic acid), which is necessary for joint lubrication and healthy skin, hair and nails. It works synergistically with **calcium** and **vitamin D** for healthy bones, nerves and skin.

Minerals: Calcium is essential for bones, teeth, heart and nervous system.

Magnesium supports bone formation and energy production for the nervous system and heart. **Manganese** supports healthy nerves, connective tissues, bone growth, a strong immune system and nourishes the bladder and pancreas.

Vitamins: Inositol has been shown to improve nerve function, calm the nervous system and control nerve pain. It helps balance sugar metabolism (triglycerides and sugar fats) and is involved in producing rich breast milk for nursing mothers.

Vitamin D3 supports strong bones by metabolizing minerals, such as calcium, into bones and teeth. It maintains a stable nervous system, normal heart action and strengthens the immune system. Vitamin B12 supports a healthy nervous system, supports bone marrow through red blood cell production, and efficient digestion through HCl production. **Riboflavin** is vital for cell growth, red blood cell creation and antibody production; promotes healthy skin, hair, nails and teeth.

Supplement Facts

Serving Size: 3 capsules

Servings per bottle: 30 capsules

	Amount Per Serving	Daily Value
Vitamin C (from magnesium ascorbate)	210 mg	350%
Vitamin D3 (cholecalciferol)	300 IU	75%
Riboflavin (vitamin B2)	5 mg	294%
Vitamin B12 (as methylcobalamin)	5 mcg	83%
Calcium (as citrate)	105 mg	11%
Magnesium (as ascorbate)	60 mg	15%
Manganese (as gluconate)	6 mg	300%
Proprietary Blend.....	1020 mg	
glucosamine (from beef trachea), flaxseed meal (organic), inositol (from rice), echinacea purpurea whole herb extract 4:1, bromelain 2400 GDU/gm, chondroitin (from beef trachea)		

***Daily Value not established.**

Other Ingredients: gelatin (capsule), magnesium (as amino acid chelate)

CONTAINS METHYLATED (ACTIVE FORM) B VITAMINS FOR OPTIMAL METHYLATION
