Matrix Synergy®

PRODUCT SUMMARY

Are stiff joints, low energy, or slow recovery holding you back? Unlock vibrant, functional health with Matrix Synergy—your ultimate formula for staying active, flexible, and resilient no matter your age.

Your bones are the foundation of your immune system with their marrow producing blood cells that deliver oxygen, fight illness, and speed healing. Matrix Synergy supports bone health and strengthens bone marrow, enhancing your body's ability to fight off illness and recover faster.

This powerful formula fuels your nervous system, sharpening communication between your brain, heart, and body for mental clarity, emotional balance, and stress relief.

Whether you're an athlete striving to reach new heights, recovering from an injury, or looking to maintain your health as you age, Matrix Synergy has you covered. This comprehensive formula supports your brain and nervous system for sharper focus and emotional balance, strengthens your bones, ligaments, and tendons for lasting mobility, and boosts your immune system by nourishing the bone marrow. With Matrix Synergy, you'll stay strong, active, and ready to tackle life's adventures with confidence and vitality!

MATRIX SYNERGY®: STRUCTURAL STRENGTH AND NERVE VITALITY

- **Stay Strong and Flexible**
Stay strong and flexible with healthier bones, joints, and ligaments that support long-term mobility. Move with ease and keep your chiropractic adjustments longer.
- **Faster Recovery from Injuries**
Notice quicker healing and reduced downtime from physical stress or injuries as Matrix Synergy aids in the repair of bones, tendons, and ligaments.
- **Clearer Thinking and Stress Relief**
Think clearly and stay calm. Matrix Synergy supports your brain and nerves for focus, emotional balance, and stress relief.
- **Enhanced Defense Against Illness**
Matrix Synergy strengthens your bones and bone marrow, which produces immune cells that help your body fight illness and recover more quickly.
- **Improved Sleep Quality**
Experience more restful sleep with a nourished nervous system that regulates stress and anxiety, promoting a calmer mind and more consistent sleep patterns.

Matrix Synergy® Contains 90 Capsules

Getting To The Heart Of The Matter For Health And Vitality

Matrix Synergy®

KEY INGREDIENTS OF MATRIX SYNERGY®

Vitamins

Vitamin C is an antioxidant that supports collagen production, essential for the health of bones, ligaments, and tendons. It also enhances immune function by protecting cells from damage. **Vitamin D3** is vital for calcium absorption and bone health. It supports the immune system, helps maintain overall bone density, and promotes immune cell production through bone marrow. **Riboflavin (vitamin B2)** aids in energy production and cellular function, helping to maintain healthy skin, eyes, and nerves. **Vitamin B12** is essential for supporting nerve health and producing red blood cells, which contributes to overall energy levels and cognitive function. **Inositol** supports nerve function and helps regulate mood and stress. It helps the body respond to insulin more effectively, which can aid in maintaining stable blood sugar levels.

Minerals

Calcium is crucial for maintaining strong bones and teeth. It also plays a role in muscle function and nerve signaling. **Magnesium** supports muscle and nerve function, helps regulate blood sugar levels, contributes to bone health, and promotes relaxation for improved sleep. **Manganese** is involved in bone formation and the metabolism of amino acids, cholesterol, and carbohydrates. It also has antioxidant properties.

Compounds

Glucosamine is an amino sugar naturally found in cartilage and is important in maintaining the health of cartilage and joints. It helps in reducing joint pain and improving mobility. **Chondroitin** is also found in cartilage and works alongside glucosamine to maintain cartilage elasticity and joint health, helping to relieve joint pain and stiffness.

Plant Extracts

Flaxseed is rich in omega-3 fatty acids, which support heart health and reduce inflammation, aiding in overall joint and bone health. **Echinacea** helps reduce inflammation and supports a stronger immune system by enhancing the production of white blood cells. **Bromelain** is an enzyme with anti-inflammatory properties that reduces joint pain and speeds up tissue recovery after injuries.

PREGNANT AND BREASTFEEDING WOMEN, AND CHILDREN:

This product is thoughtfully formulated to be safe for most individuals, including children, as well as pregnant and breastfeeding women. Consult your doctor to ensure it aligns with your unique health needs.
