

ReGenerZyme® Heart

PRODUCT SUMMARY

The heart has long been considered the center of one's being, the source from which our thinking, speaking and feelings emerge. The physical heart is also the center from which life-giving blood flows through a network of arteries, veins, and capillaries to all parts of the body, then back to the heart. Healthy blood provides oxygen and nourishment to the cells of the entire body.

The heart is the hardest working muscle of the body. It continually contracts and relaxes (beating over 100,000 times every day), delivering life-giving blood to every organ, gland, cell and structure of the body. ReGenerZyme Heart supports and restores the heart as well as other muscles of the body. It is an excellent nutrition for athletes and others who want to optimize heart and muscle function.

Trauma, emotions, falls, accidents, surgeries, and injuries also affect the physical and metaphysical heart, causing the heart to "gasp" and become imbalanced at the subtle energy level. Restore the heart and all those areas of the body supporting the heart with ReGenerZyme Heart..

KEEPING YOU HEALTHY WITH REGENERZYME® HEART

• HEART AND CIRCULATORY SYSTEM

Support and restore the heart muscle and its chambers, valves, arteries and veins with ReGenerZyme Heart. Provide nourishment for healthy blood as it transports nutrients through the body for energy, restoration, cell reproduction, and overall vitality. ReGenerZyme Heart strengthens muscles and promotes a strong heart for a pregnant mother and her baby, the athlete and body-builder, and those who want to stay young and vivacious.

• BRAIN, ADRENALS, PANCREAS AND SEX ORGANS

The brain, adrenals, pancreas, uterus/prostate and ovaries/testicles are primary backup systems for the heart. If the heart becomes "tired" and energetically imbalanced, these backup organs work overtime to support the heart. When these backup organs tire, they will exhibit symptoms; yet the root cause is the heart. ReGenerZyme Heart nourishes and restores the heart so these organs can return to normal function and balance.

• STRUCTURES, SHOULDERS, HIPS AND SPINE

Pain in the shoulders, hips, knees, and spine may be an indicator of a "tired" heart. ReGenerZyme Heart will nourish the heart and support restoration of the structures.

• TRAUMA AND EMOTIONS

In a lifetime, the heart experiences many losses. Since the brain energetically supports the heart, it also becomes involved. Support the heart and brain through trauma and loss with ReGenerZyme Heart. Combine with Heart Harmony and/or Present Moment essential oil to enable the heart and brain to process and release overwhelming emotions.

ReGenerZyme® Heart Contains 90 Capsules

ReGenerZyme® Heart

EXPERIENCE THE DIFFERENCE:

VerVita nutrition supports the body functioning as a whole; it nourishes and balances the energy flowing through every structure, organ, gland, and cell. A healthy rhythm and function are created as the formulas are designed to synergistically stimulate/relax and push/pull.

KEY INGREDIENTS OF REGENERZYME® HEART

Amino Acids: **L-Carnitine** assists fat metabolism and energy production. **L-Tyrosine** converts to thyroid hormone and adrenaline (produced by the adrenals in response to stress.) **L-Arginine** is a key nutrient in promoting efficient blood flow through blood vessels that are open and relaxed. **Acetyl l-carnitine** supports the brain, the primary backup system to the heart. **NAC (n-acetyl cysteine)** has been found to reduce COPD attacks and support the pulmonary system.

Antioxidants: Antioxidants such as **Gamma Oryzanol** (from rice) and **Alpha Lipoic acid** remove free radicals that cause cell damage. **Alpha Lipoic acid** is involved in restoring nerves to the heart and helps dissolve toxic substances in the liver. Inositol supports heart, arteries and brain.

Enzymes: **CoQ 10** is a co-enzyme used to synthesize/generate energy in every cell. The heart requires a great amount of energy, so it stores CoQ10 to meet its energy demands. Smoking, alcohol, stress, aging, chronic illness, beta-blockers and cholesterol lowering drugs deplete CoQ10 stores in the body.

Glandulars: **Heart** and **Adrenal** glandulars provide cellular support and nourishment for heart and adrenal restoration. The adrenals are a primary backup system to the heart.

Herbs: **Hawthorne berries**, the “top herb for the heart”, are considered by herbalists as the safest of all herbal supplements. **Flax Meal** is anti-inflammatory. It is rich in Omega 3, which has heart-healthy effects.

Vitamins and Minerals: The **B vitamins** along with **Vitamin E, tocotrienols** and **Vitamin A** help build a healthy, strong heart with optimal circulation, balanced blood pressure, and the body working as a whole system. The many minerals support heart rhythm and function.

Supplement Facts		
Serving Size: 3 capsules		
Servings per bottle: 30 capsules		
	Amount Per Serving	Daily Value
Vitamin A (as beta-carotene)	5000 IU	100%
Vitamin C (as magnesium ascorbate)	120 mg	200%
Vitamin D (as D3 cholecalciferol)	200IU	50%
Vitamin E (d-alpha-tocopheryl acid succinate)	50 IU	167%
Thiamine (vitamin B1)	2 mg	133%
Riboflavin (vitamin B2)	2 mg	118%
Niacin	20 mg	100%
Vitamin B6 (pyridoxal-5-phosphate)	15 mg	750%
Folate (l-methylfolate)	400 mcg	100%
Vitamin B12 (as methylcobalamin)	35 mcg	583%
Biotin	300 mcg	100%
Pantothenic acid	10 mg	100%
Magnesium (as ascorbate & amino acid chelate)	120 mg	30%
Zinc (as gluconate)	6 mg	40%
Selenium (as amino acid chelate)	60 mcg	86%
Copper (as gluconate)	1 mg	50%
Manganese (as manganese citrate)	2 mg	100%
Chromium (as chromium aspartate)	50 mcg	42%
Potassium (as potassium chloride)	10 mg	<1%
Coenzyme Q10	15 mg	
Heart (raw bovine tissue concentrate)	200 mg	
Adrenal (raw bovine tissue concentrate)	10 mg	
Proprietary Blend	318 mg	
l-carnitine, r-alpha lipoic acid, crataegus oxyacantha (hawthorne berries) extract 4:1, l-tyrosine, l-arginine, flaxseed meal (organic), gamma oryzanol (from rice), n-acetyl-cysteine, l-citrulline, inositol (from rice), tocotrienols (from palm fruit), melatonin		
*Daily Value not established.		

Other Ingredients: gelatin (capsule), magnesium (amino acid chelate)

CONTAINS METHYLATED (ACTIVE FORM) B VITAMINS FOR OPTIMAL METHYLATION

VERVITA PRODUCTS ARE FREE FROM:

GMOs, Soy, Gluten, Corn, Egg and Dairy, Fish, Crustaceans/Shellfish, Tree Nuts, Peanuts, MSG, Sugar and Sweeteners, Artificial Colors, Dicalcium Phosphate, Magnesium Stearate, Croscarmellose, Excipients/Synthetic Fillers and Flow Agents.
