## Carter Slide Mug

Coffee that's ready when you are.

The award-winning Carter Move Mug just got more accessible. This uniquely angled Slide-Lock Lid effortlessly slides off with the flick of a thumb revealing a sippable lip and True Taste Ceramic Coating to enjoy your coffee on-the-go. Slide it back to secure your drink from leaks and spills while also locking in heat and flavor for an uncompromised coffee experience wherever you are. The mug you already love, now anywhere you're in motion.

### Features:

#### Cup Holder Compatible

The slim width fits any adventure. You're officially in the clear to caffeinate on your commute.

#### Leak-Proof Seal

Stash it in your backpack sleeve or clip it on your bike—the lid stays secure from leaks and spills.

A leak-proof lid slides open for quick sipping and secure stowing on-the-go.

#### True Taste Ceramic Coating

Unlike stainless steel, a ceramic interior keeps your brew free of odors, oils, and "old penny" tasting notes.

#### Double-Wall Vacuum

Keep hot drinks hot for 6 hours and cold drinks cool for 6 hours.
