Replace W.C partition with custom made laminate Hilton mist safety glass.

## The Challenge

Magic Glass was employed by the Hilton Hotel in Sydney to replace a W.C partition. The client wanted a very specific glazing system that provided privacy and included a mirror on the internal side of the panel.

## The Solution

Our Glazing team successfully completed the job. We fabricated a laminated mist safety glass panel that featured a mirror on the interior. We met all client specifications and requirements and installed the panel quickly, seamlessly and with excellent finishes.

## The Feedback

Magic Glass got great feedback from the Hilton Sydney team. They were very happy with the finished product and our efficient service.
