CORDLESS

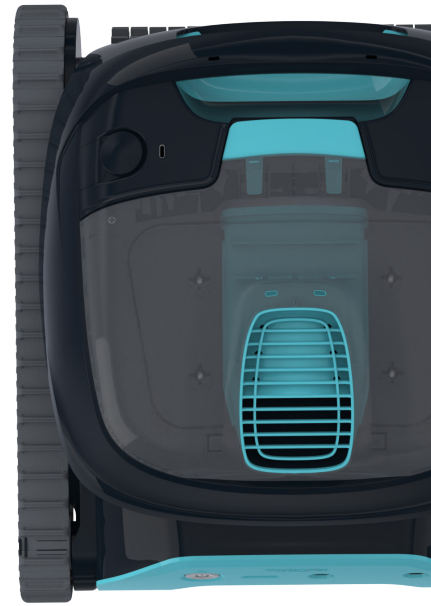

LIBERTY™ 300

The New Generation of Cordless Pool Cleaning

The Same Unmatched Dolphin Performance - Now Cordless!

Meet the Dolphin LIBERTY 300 with its new cordless design offering unmatched agility, and inductive charging. The LIBERTY 300 features a 'Magnetic-Connect' for easy snap-in-place and walk-away charging, an "Eco Mode" that keeps your pool clean all week long with short cleaning cycles, and a "Cycle Selector" - letting you choose between floor-only or floor and walls cleaning, you can use the "Click-Up" for super-easy removal from the pool.

With super-efficient scrubbing and filtering capabilities, you can get the same reliability and service you get with other Dolphin products - now cordless!

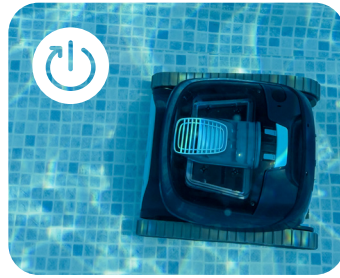

The Dolphin LIBERTY Difference

Inductive Charging

Magnetic connect for super easy snap-in-place charging

Eco Mode

Keeps your pool clean with 3*30-minute cycles a week
* floor only

Click-Up

Using the rattle sensor, the Dolphin will climb up to you, for easy removal from the pool

Quick Water Release

Releases water quickly for easy removal from your pool
