with Pool Control

**SUPERIOR SALT CHLORINATION
WITH BUILT-IN POOL CONTROL**

EXPERT LINE® | ✓ **NOT SOLD ONLINE** ✓ **3+ YEAR PARTS & LABOR WARRANTIES***

SALT CHLORINATION PLUS BUILT-IN CONTROL: THE SMARTEST WAY TO UPGRADE.

AquaRite® S3 offers all the benefits of silky-smooth water you'd expect from the #1 brand in salt water pools, along with versatile pool and spa control. With two model options and easy-to-add accessories, AquaRite S3 is more than superior salt chlorination—it's advanced sanitization and automation that grows with any pool.

1 **START WITH SUPERIOR SALT WATER**

AquaRite S3 automatically converts dissolved salt into a virtually endless supply of chlorine for perfectly sanitized pool water. Experience softer, silkier pool water that won't irritate eyes, dry out skin or fade fabrics—all while reducing chlorine costs by up to 50%.

2 **CHOOSE THE LEVEL OF POOL & SPA CONTROL**

AquaRite S3 offers basic control over salt chlorination, a heater and a variable-speed pump. AquaRite S3 Omni® gives you advanced control over pool and spa elements like water features, lights, cleaners and more from anywhere with the intuitive OmniLogic® app.

3 **ADD ON ACCESSORIES (ANY TIME YOU WANT)**

When you start with AquaRite S3, what you create is up to you. The system can be built upon at any time with easy-to-add accessories from smart relays to pH sensing to WiFi connectivity and more.

AQUARITE S3

Superior salt chlorination plus control of chlorine output, a heater and a variable-speed pump via the convenient on-unit display, with the ability to upgrade to Omni if desired (AQRS3OMNIKIT).

Features a clear cell for easy inspection

AQUARITE S3 OMNI

Superior salt chlorination plus full control of virtually any pool feature via the Omni control panel, the OmniLogic app and voice control devices including Amazon® Alexa® and Google Home®.

Features a clear cell for easy inspection
