

# ColorLogic®

LED POOL AND SPA LIGHTING

Light up your night.

With industry-leading LED technology, ColorLogic® provides the widest spectrum of colour choices, plus unmatched performance through standout benefits. With more than 50,000 hours of performance and the most energy efficient technology available, ColorLogic takes colour to a whole new level.

LED lighting is extremely efficient and can save up to 79% on energy costs when compared to traditional pool lighting.

LIGHTING

Deep Blue Sea

Emerald

Cloud White

Sangria

Afternoon Skies

Choose from five different fantastic fixed colours or seven different dazzling colour shows.

## 6" Jiffy Niche™

SMALL NICHE

Find your niche with Hayward.

The small niche from Hayward is designed for vinyl and fiberglass pool applications. Corrosion-free Hayward niches feature:

- 6" hole installation
- Injection-molded PVC fixture housing for corrosion-free performance
- Screw on mounting nut design. No screws required to mount through pool wall
- Designed for one-person installation

## SP0590 Series Incandescent White Light or SP532 Series LED Colour Light

When combined with Hayward niches they make an unparalleled value in lighting systems for pools where a small diameter light is preferred.

SP0590 White Pool Light
