HAYWARD®

OmniLogic™
ELITE BACKYARD CONTROL

THE SIMPLEST, MOST INTUITIVE BACKYARD AUTOMATION EVER.

Designed by Hayward®. Inspired by you.

Total backyard control right at your fingertips.

Control made simple. Now you can control nearly every aspect of your backyard from one device. The OmniLogic™ user interfaces are intuitive and easy to use thanks to an icon-based graphics touchscreen and phone, tablet and web apps that are designed to do more with fewer button pushes. Customize it to fit your family's needs and preferences. Set up to 50 Favorites icons and 25 customizable themes you can change with one press of a button.

As flexible as water. OmniLogic's modular configuration gives you the ultimate in flexibility and scalability. Never again will adding a feature or enhancement require complex system upgrades. Want to add a heater? A pump? Lighting? Now you can seamlessly and painlessly add devices with plug-and-play expansion.

Plug in to the future. Forget costly and time-consuming upgrades — OmniLogic is future-proof thanks to its USB port, which allows you to upload new capabilities as well as install and restore configurations quickly and easily. So you're always on the cutting edge.

- Stunning advancements in intelligent automation for high-end pools.

- The easiest-to-use, most intuitive interface on the market.

- Breakthroughs in simple configuration, customization and installation.

- Designed and engineered to advance with automation technology.

OmniLogic™

Simple and intuitive pool automation like you've never experienced.

Total control over dramatically expanded backyard themes, all with far fewer button pushes.

Future-proof: Gain fast and easy access to the latest software updates via USB key. When automation technology advances, so does OmniLogic.

Customizes to fit you. Set up familiar names for controlling features and automated activities to eliminate guessing games.

Access pool control applications from any computer, remote or mobile device.

Easy to use and simple to customize, it makes everything about controlling your backyard easier.

OmniLogic. The simplest and most intuitive pool controller ever.
