

# WHISPERFLO®

## HIGH PERFORMANCE PUMP

The industry standard by every measure.

We call it the WhisperFlo pump for good reason. This innovative hydraulic design moves water more efficiently and more quietly than competitive pumps. Under typical operating conditions, the WhisperFlo pump offers the highest water flow of any high performance pump. And, the WhisperFlo pump is designed to be a tireless workhorse. Its engineered thermoplastic housing withstands extreme heat and resists corrosion. The commercial-grade motor frame has a stainless steel motor shaft and sealed bearings that never need lubrication. Engineered to provide optimum performance in any size pool or pool and spa combination, the WhisperFlo pump is built to last a lifetime and, as a result, has been the industry's top seller for years.

**WHISPERFLO® HIGH PERFORMANCE PUMP**

Quiet and durable.

The WhisperFlo pump delivers maximum circulation and trouble-free life with minimal maintenance. Our legendary hydraulic design has been refined over 40 years for superior performance. No wonder more than 2 million Pentair pumps have been selected by pool professionals.

**KEY FEATURES**

**Cam and Ramp™ lid**

The engineered polymer, user-friendly, see-through lid remains clear and strong for years. It permits fast and easy inspection of strainer basket and locks in place with a quarter-turn making cleaning easy and quick.

**Advanced FunnelFlo™ diffuser and impeller**

Maximize water flow while minimizing turbulence and noise.

**Oversized strainer basket**

Extends time between cleanings.

**TEFC/Super-Duty motor options**

Provide superior performance and longevity.

**Heavy-duty threading**

For dependable worry-free connections.

**Specially engineered design**

Assures whisper-quiet operation.

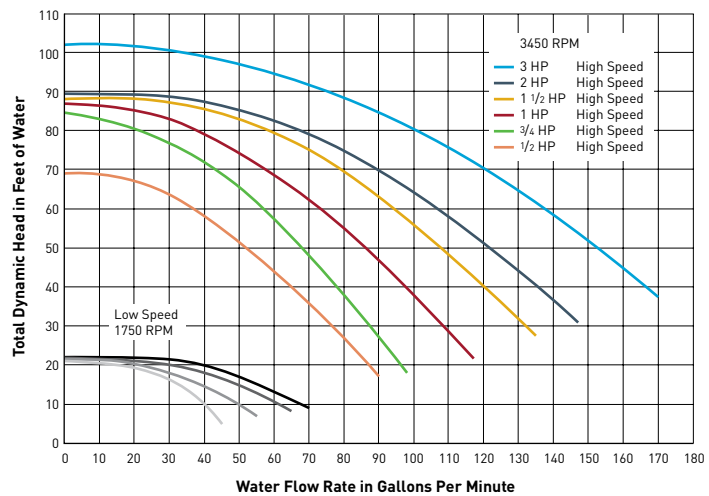

**Versatile**

Ideal for pool and spa combinations and for operating in-floor cleaning systems.

**Durable**

Commercial-grade frame, stainless steel shaft and permanently lubricated, sealed bearings for long life.

**PERFORMANCE CURVES**

*Pumps and replacement motors that are single speed and one (1) Total HP or greater cannot be sold, offered for sale, or installed in a residential pool for filtration use in California, Title 20 CCR sections 1601-1609.*
