There's a Prowler for every pool.

All models use a powerful high-speed front scrubbing action to clean your entire pool, walls and all. That means each Prowler delivers a truly hands-off cleaning experience.

We thought of ease in every way.

PEOPLE-FRIENDLY INNOVATIONS ABOUND IN EACH PROWLER:

- Dual filtration options to trap unsightly debris big and small.
- Top-access filtration basket for easy clean-out.
- Independent operation for no draw on your pool pump.

Always ready for those sparkling moments.

The point of a pool is to enjoy the pool, right? The Prowler family makes that possible, even for those last-second pop-ins: Program a repeated cleaning to fit your pool-time preferences, launch a deep cleaning at your command or order up a quick clean.

Pair with the Pentair Home app for next-level convenience.
