IMPROVE WORK PLACE SAFETY AND MINIMIZE ACCIDENTS

CREATE SAFETY ZONES • BLOCK AISLES • LOSS PREVENTION

ZonePro™ retractable banners meet all your safety, crowd control and communication needs while enhancing the aesthetics of your environment and increasing the efficiency of operations.

With fixed and portable options, there's a ZonePro™ for every industrial need.

ZONEPRO™ INDUSTRIAL PRODUCT LINE

AVAILABLE IN FOUR DIFFERENT FORMATS

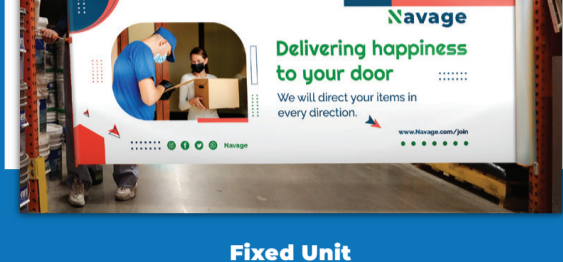

The ZonePro™ Industrial product line makes workplaces more efficient by offering portable and flexible products that can be placed on a rack, a wall or in the middle of the floor on a stanchion.

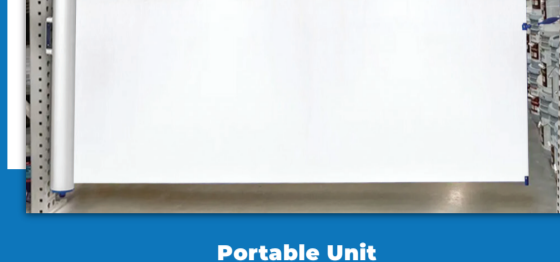

Dual Rolling Stanchion with Orange Safety Banners

Single Rolling Stanchion with Blue Safety Banners

Fixed Unit with Custom Print Banner

Portable Unit with White Solid Banner

ROLLING STANCHION DUAL UNIT

Dual canister expands to block a 28-foot area.

The inclusion of wheels and a handle means anyone can move a ZonePro™ with minimal physical exertion.

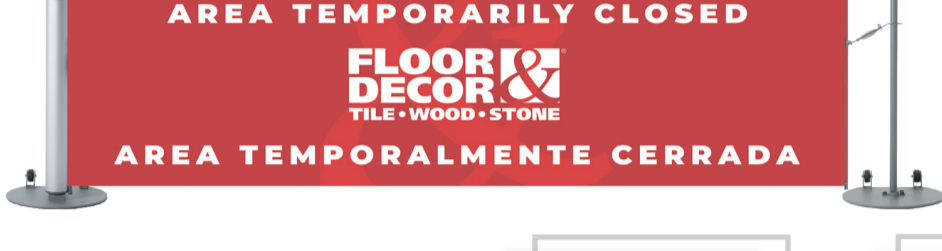

Banners swing in any direction to create the configuration you need for your space.

Ergonomic mobile design makes transport and setup effortless.

ROLLING STANCHION SINGLE UNIT

Single canister boasts 12-foot, fully customizable banners that retract effortlessly.

The single unit boasts ergonomic design with a comfortable handle and wheels for ease of transportation.

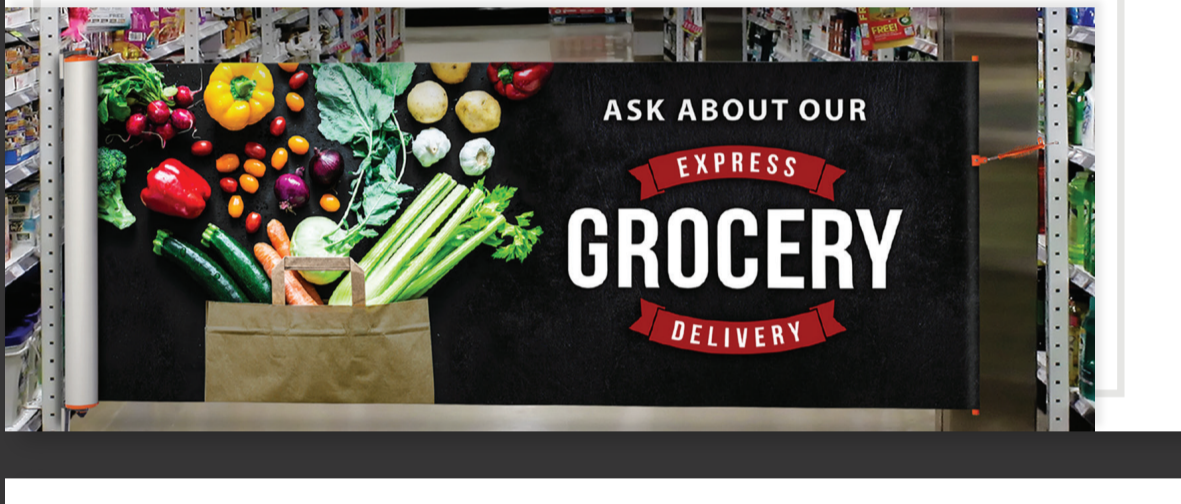

This format can be configured to define spaces and manage foot traffic.

The single unit also doubles as an attachment stand.

FIXED UNIT

The fixed unit attaches to any drywall, wood, concrete or racking system. When not in use, the banner retracts into an unobtrusive 4"-wide aluminum canister.

Remains securely in place on any standard racking system or wall, blending seamlessly into any environment.

Our unique design allows the canister to rotate and swivel for increased versatility.

Break-away bracket protects unit from impact damage while used on a racking system and can be easily replaced in seconds.

ZonePro™ fixed units come with a complete set of brackets and hardware for easy mounting and replacement to any surface.

PORTABLE UNIT

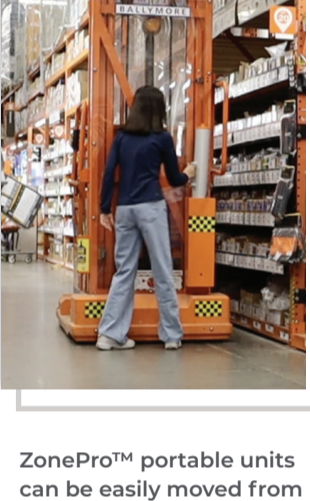

The portable unit's custom-engineered handle doubles to easily attach to most industrial racking systems.

The ZonePro™ Portable unit easily attaches and detaches to any standard racking system.

The lightweight portable design makes transport effortless.

ZonePro™ portable units can be easily moved from location to location, or retracted and stored.

CUSTOM ENGINEERED FABRIC

AVAILABLE IN MESH OR VINYL

The open mesh banner material is durable, waterproof, and fully flexible. It is reinforced with vertical support strips that prevent sagging and keeps the banner taut.

The vinyl laminate with a UV coating showcases vivid full color graphics of your choosing. This banner comes in 8, 10 or 12 foot options.

MESH

VINYL

Mesh and vinyl banners can be cleaned with standard cleaning products

PRE-PRINTED SAFETY MESSAGING

All ZonePro™ safety barriers with orange and blue mesh fabric have dual-sided, clearly displayed safety messaging in English and Spanish.

This bold, pliable material is unmissable in any warehouse or industrial setting. Safety units are in stock and ready to be shipped.

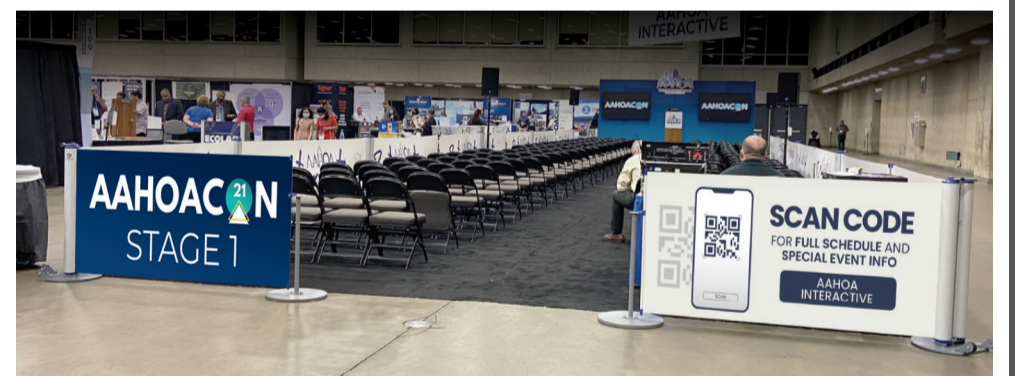

Supports OSHA safety compliance

CUSTOMIZABLE PRINT CAPABILITIES

If you're looking for a unique way to communicate with your customers while managing foot traffic, we print banners with customized messaging and branding.

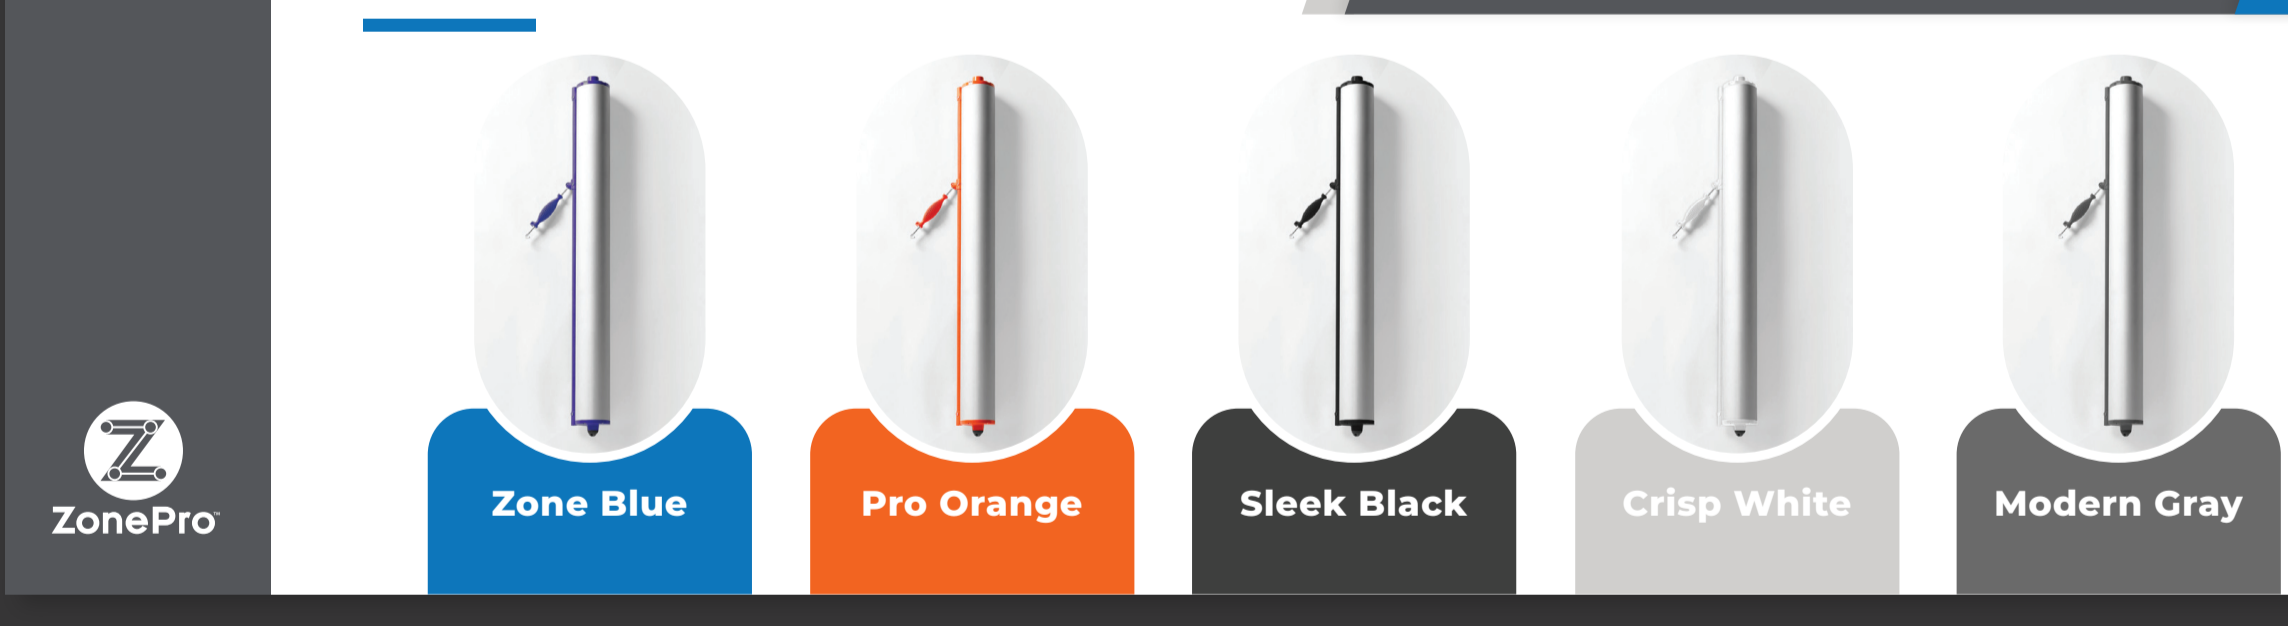

We also offer customizable safety banners that can include such verbiage as "Area Closed," "Hazard Ahead" or "Do Not Enter" etc.

Why not include a QR code containing safety rules or a warehouse map?

AVAILABLE IN 5 ACCENT COLORS

Each canister is engineered in sleek aluminum with a choice of accent colors in blue, orange, black, white, and grey which can be mixed and matched with any of our fabric solutions.

EFFORTLESSLY STYLISH AND FULLY RETRACTABLE

The ZonePro™ employs patented technology for ease of use. Housed in a sleek, stylish canister, our banners seamlessly open and retract.

Custom banner and canister options are available for large orders.
