

FIRE PIT ART®
A gathering place for family & friends

READ ENTIRE MANUAL BEFORE USE

California Proposition 65 WARNING: "This product contains chemicals known to the State of California to cause cancer and/or birth defects or other reproductive harm."

Why am I being warned about potential exposure to carbon monoxide?

- ⚠ Carbon monoxide (CO) is on the [Prop 65 Warning list](#) because it can cause birth defects or other Reproductive Harm. The use of a fire pit burning wood, natural gas or liquid propane fueled produces carbon monoxide.
- ⚠ Exposure to carbon monoxide and carbon black during pregnancy can affect the baby's brain development and cause loss of pregnancy.
- ⚠ Proposition 65 requires Fire Pit Art® to warn consumers about exposure to Carbon Monoxide.
- ⚠ For more information, go to www.P65Warnings.ca.gov

Before each use, inspect the fire pit for signs of wear or damage.

Do not use the fire pit if any parts are damaged.

Contact us at 615-707-1912 or email us at customerservice@firepitart.com for assistance.

⚠ **This fire pit is intended for outdoor use only. Do not use on wooden decks, composite decks, or asphalt. High temperatures produced by the fire could damage such surfaces or catch on fire.**

- Never use under low hanging tree branches, trellises, or overhangs of any kind including covered porches. Smoke and embers could damage or ignite overhead objects and vegetation.
- Keep the fire pit a minimum of 25 feet away from buildings, structures, covered porches, vehicles, and flammable items of any kind.
- Never use gasoline, alcohol, or volatile fluids to start or restart fires. Property damage, serious injury, or death could result if these materials are used.
- Never use the fire pit while under the influence of drugs or alcohol.
- This fire pit is not to be operated by anyone below the age of 18. Keep children and pets away from the fire pit.
- All parts of the fire pit will be hot during and after burning. This includes other products, such as screens and fire tools. Use with caution. Do not touch the hot fire pit or accessories with bare hands. Allow the unit to completely cool before touching.
- Never leave a burning fire pit unattended, and always extinguish the fire completely before leaving the unit.
- Do not use near flammable or combustible objects or materials.

WARNINGS

Carbon Monoxide Hazard

Burning wood produces carbon monoxide, which has no odor.

Using this fire pit in an enclosed space can kill you.

Never use this fire pit in an enclosed space such as a camper, porch, tent, car or home.

THIS FIRE PIT IS FOR OUTDOOR USE ONLY

THIS FIRE PIT IS NOT TO BE USED FOR COOKING

When using this outdoor fire pit, use the same care as you would with any open flame/fire. Property damage, serious injury or death could result if warnings are not followed.

NOTICE: As the iron oxide patina ages some patina transfer could occur, which may leave stains on permanent surfaces. A protective stone is always recommended.
