

Next Gen FLSK drinking bottle

press kit 2023

Next Gen Coating

durable above average äußerst widerstandsfähig

dishwasher-proof spülmaschinengeeignet

tree free packed baumfrei verpackt

With the Next Gen, we have achieved a groundbreaking further development of our FLSK drinking bottle. Our innovative Next Gen coating gives it an above-average resistant and durable exterior. The new packaging not only looks its usual minimalist chic, but also sets completely new standards in terms of sustainability: 100 % tree free and regionally manufactured.

The CUP to go tumbler is available from $42,75 \in$ in three sizes and various colors.
