STEP-BY-STEP
Instructional VIDEOS

STEP 1

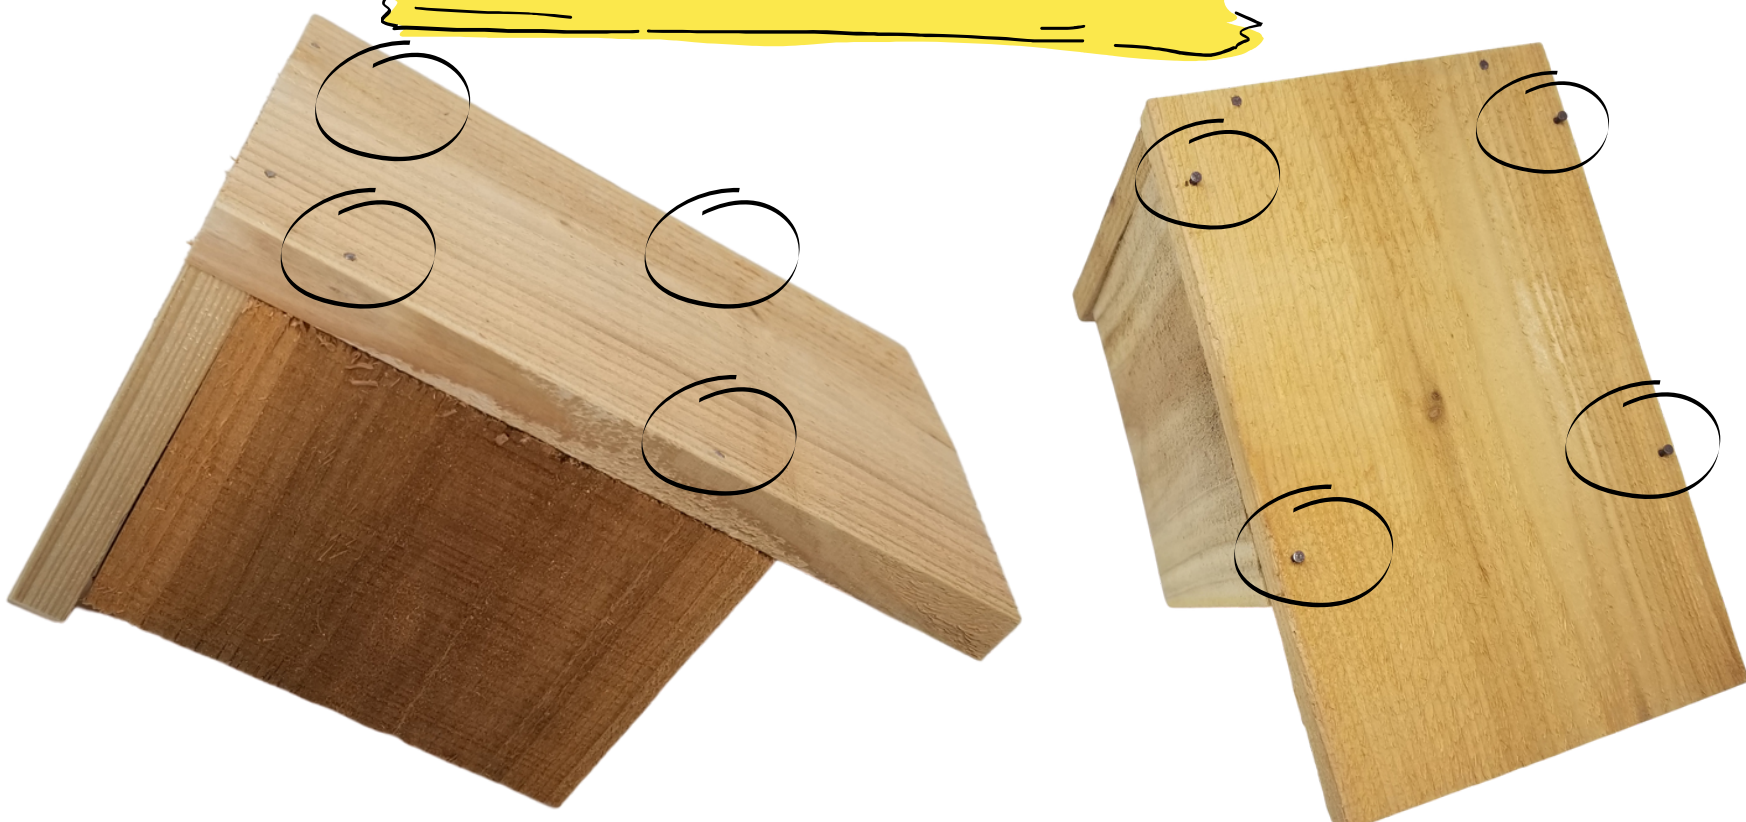

Sand each piece of wood
Look for the grain of the wood
Sand WITH the direction
of the grain

STEP 2

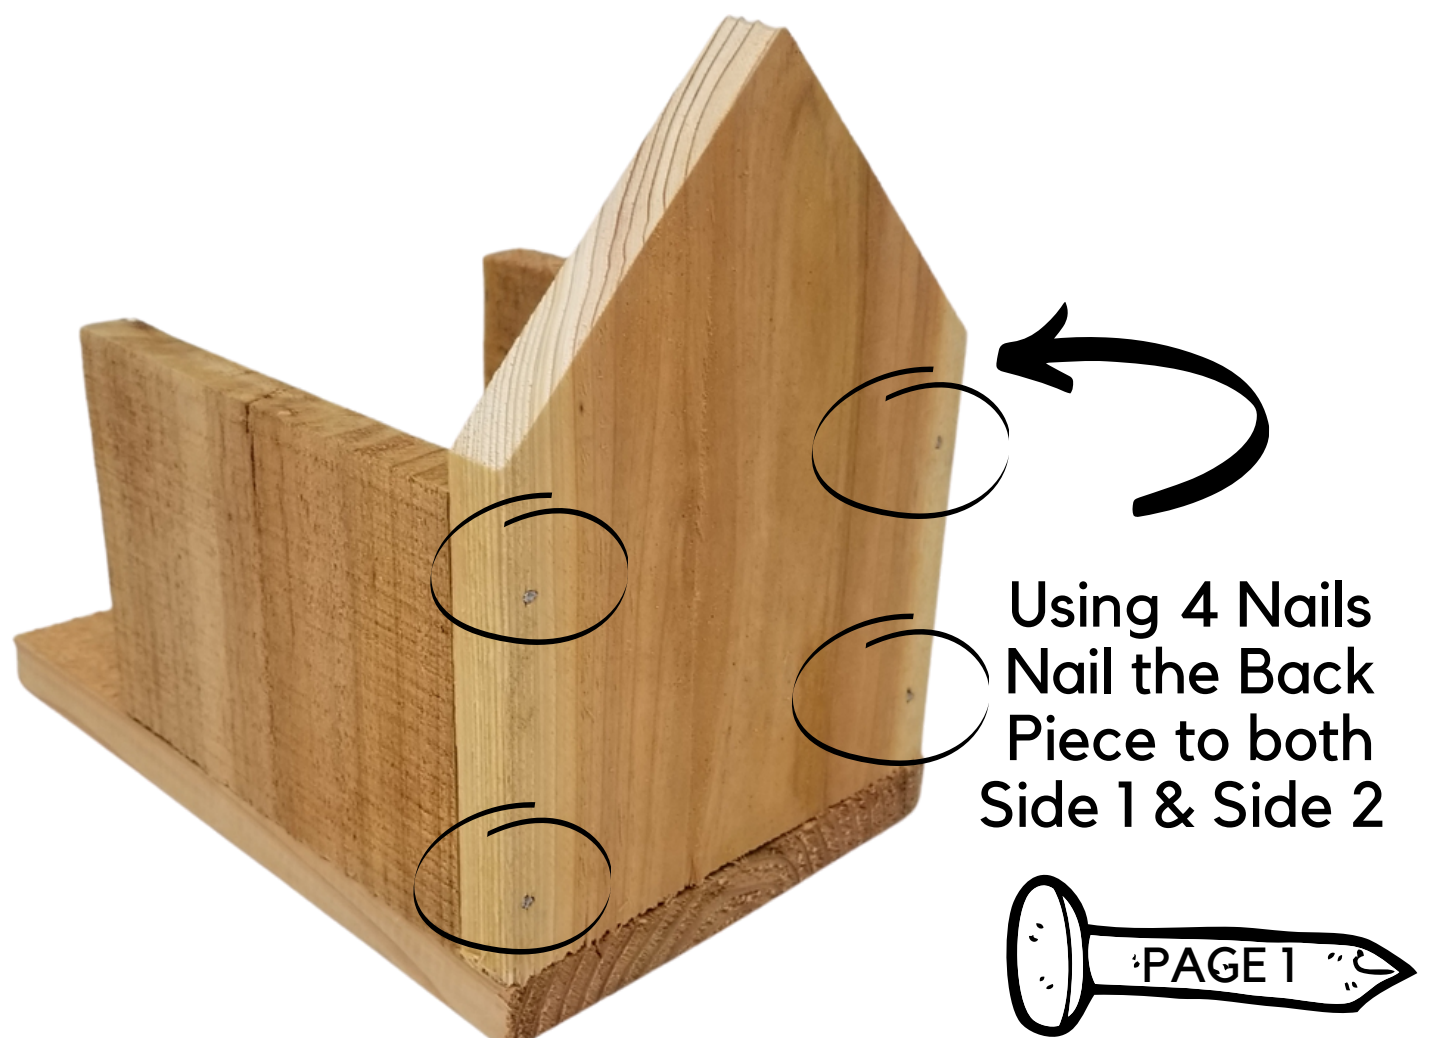

Using 2 Nails
Nail the Bottom piece to the Back piece
*We find it helps to pre tap in the nails

STEP 3

Nail the Bottom to the side of Side 1 using 2 Nails.
Repeat with Side 2

STEP 4

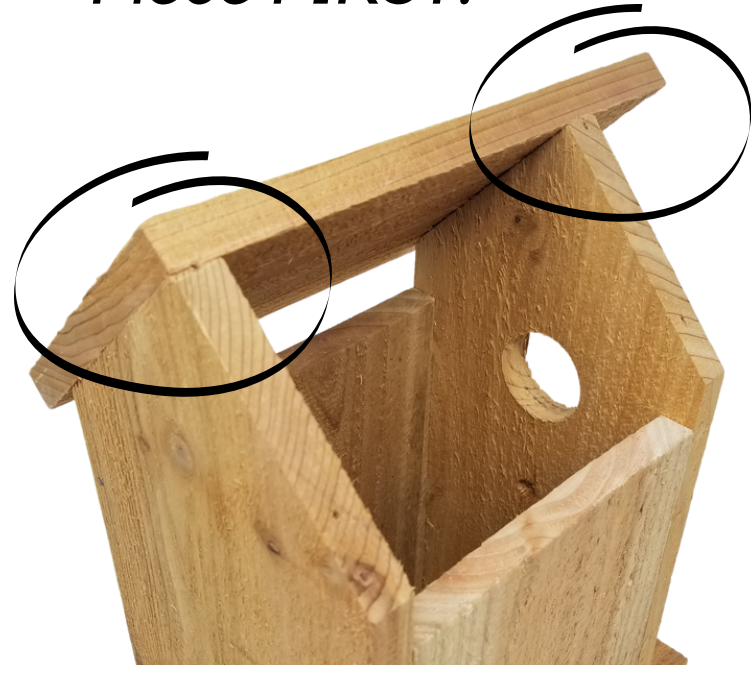

Using 4 Nails
Nail the Back Piece to both Side 1 & Side 2

STEP 5

Using 4 Nails
Nail on the front piece

**Roof 1
Piece FIRST!*

**Line up the short side of
Roof 1 with the Back*

*Make sure the overhang is
over the Front*

STEP 6

Next using 4 Nails attach Roof
2

Using 4 Nails
Nail Roof 1 to the frame.

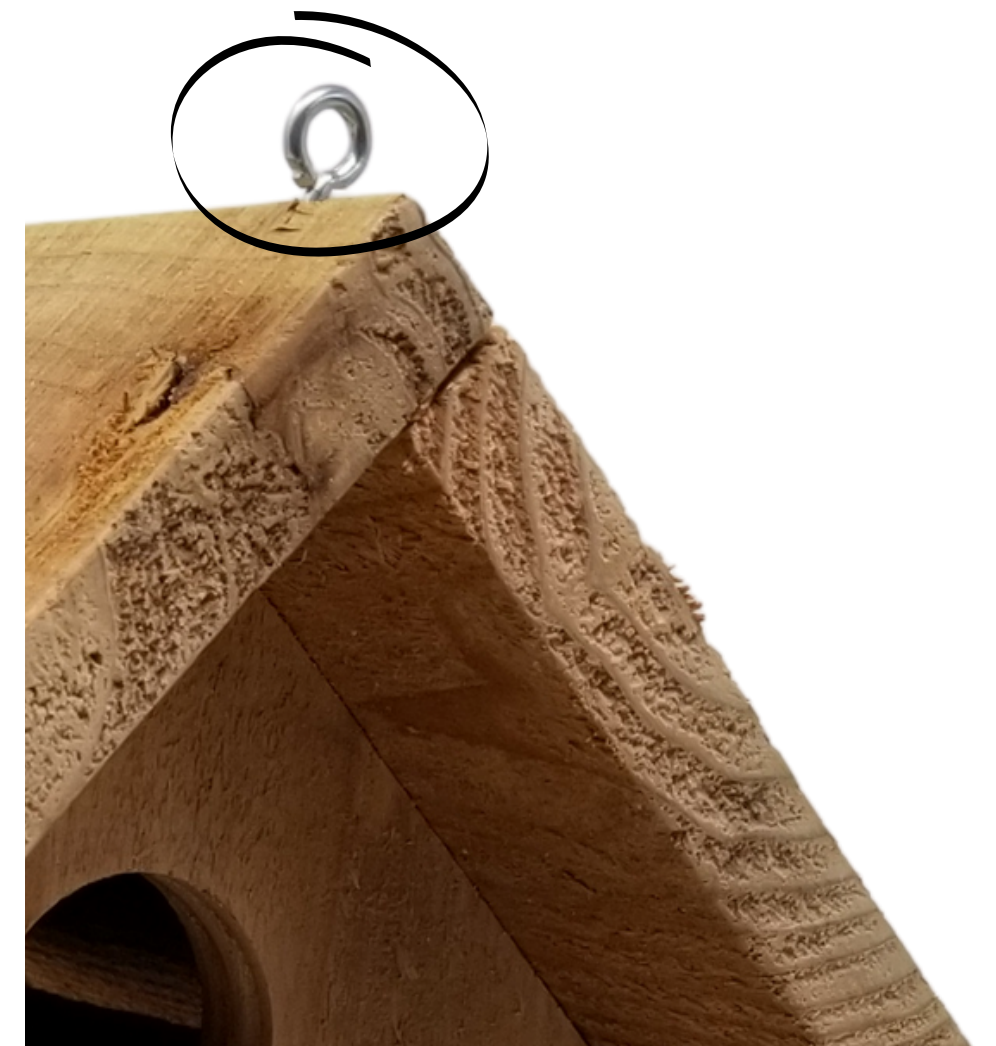

STEP 7

Insert Perch
*Tap lightly with hammer

Glue the 3 Bird feeder pieces

Hand screw the 2 eye hooks into the
roof

YOU DID IT!
