Basic Functions

Tasbih counter

1. Tasbih Count: After the screen is turned on, use the button to make tasbih. When the count reaches 33, 66, 99, 100, Zikr Ring will vibrate once.You can also adjust the vibration time via the APP based on your usage.

2. Re-counting: Long press the button for 3 seconds, Zikr Ring will restart counting and save the last tasbih count record. Once connected to the APP, the count record data will be uploaded and updated immediately.

3. Synchronization: Open the APP, Zikr Ring will automatically synchronize the tasbih counting data to the APP.

Find Zikr Ring

Click Find Ring on the APP search device interface, Zikr Ring will vibrate for 10 seconds, short press the button to stop the vibration.

Prayer Reminder

Open the prayer reminder in the APP and synchronize, Zikr Ring will remind you at the prayer time.

Tasbih Reminder

Turn on Tasbih reminder in APP and synchronize, Zikr Ring will remind you to make Tasbih.

Screen Flip

After connecting APP, set the display direction of the screen according to your wearing habits. You can also turn it over by short pressing the ring button while showing on the Bluetooth interface of the ring.

Multi-language switching

In the device settings, you can switch the device language and save it.
