SCHOOL OF HIGH TAILORING

VOCA- TION

With the global market, specialization of people in working according to a vocation, has increased more and more.

Vocation is the predisposition for an art, for a profession; vocation means tradition, attitude, being able to do things well, really knowing how to do something well.

The art of tailoring is one of the main vocations in the area of Naples, something that Italy throughout the world has been boasting for years. In order to guarantee the world with the continuity of this tradition,

Ciro Paone S.p.A has been organizing courses for **high level tailoring for more than 20 years.**

OBJEC- TIVES OF THE COURSE

The courses aim at preparing specialized individuals capable of creating high quality garments.

The course focuses on training youngsters who have an eye for laboratory work and youngsters ready to carry out their work throughout the world (tailors, shops, VIP customers etc). At the end of the course, the students will be given a **Kiton certificate** and the very best will be given the chance to work with **Ciro Paone SpA** and/or with other companies in this field, through a **3-year apprenticeship contract**, so as to complete the 6-year training cycle.

PLA- CE- MENT

113 young students that have taken part in the first 8 courses have acquired the certificate and 80% of them have been inserted on a stable basis in the employment market (**40 with the Kiton group**).

CONTENTS OF THE COURSE

During the course, students will develop and perfect their **manual skills**. The candidate will acquire skills for **creating a garment** from raw materials. The haute couture course guarantees **high-quality education**: our teachers are all **great professionals and experts** in the field, full of advice and suggestions to give to all students.

THE IDEAL CANDIDATE

The course is aimed at **18** strong motivated **youngsters** who due to family cultures or vocation, have already learnt the rudiments of sewing and/or have experimented this art with extreme passion. The participants are determined youngsters who, with commitment and a spirit of sacrifice, plan to become **professional tailors** when they grow up, a job that can provide huge satisfaction to those who really know how to enjoy it.

LOCATION AND DURATION

The triennial course will be held in the School of High Level Tailoring on the premises of the company **Ciro Paone SpA** and will last for **3,600 hours** with obligatory full-time attendance for 6 hours a day from Monday to Friday. The beginning date of the classes will be communicated to the admitted students after they have passed the selection process.

REQUIREMENTS AND METHODS OF PARTICIPATION

Participants should be aged between 16 and 21, unemployed, with a lower secondary school certificate. **Candidates may download the participation form from the website www.kiton.com.** The form, compiled in all parts, should indicate the following on the envelope "9th High Level Tailoring Course" and should reach **Ciro Paone SpA**, Viale delle Industrie, 80022 Arzano (Naples) no later than September 30th 2022. Foreign citizens will be required to confirm knowledge of Italian language. For any information or clarification e-mail address scuola@kiton.it is available.

REGISTRATION

Registration, participation in courses, teaching material and any other articles required are all free of charge. Furthermore, the company will provide lunch and contribute to transport costs of the participants.

SELECTION

The selection will be carried out in three phases: **assessment of participation requests, cognitive interviews and a practical ability test**. The candidates who have passed the practical test and the cognitive interview will be permitted to the course.
