

LET'S TAKE A BRIEF LOOK AT:

After School Satan Club & Good News Club

Legally required equal access to public facilities according to SCOTUS ruling

Promotes a rational, science-based, non-superstitious worldview

Promotes individuality and creativity in an environment that allows self-driven children to choose activities that each individual finds interesting

Imposes a religious agenda on children in over 5,000 schools

Encourages peer evangelism and spreading religious ideas during school hours

Tells kids they're inherently sinful and threatens eternal damnation

Adheres to a rigid, nationally-establish curriculum

Actively attempts to convert children to fundamentalist religious views

Tells children that demons are real and believes in a literal SATAN
