

On February 24<sup>th</sup>, 2022 **After School Satan Club** (ASSC) had their 2<sup>nd</sup> gathering at Donovan Elementary school in Lebanon, Ohio! Volunteers led participants in a fun activity that included making Square Knot Dog Toys (pictured below) for dogs currently waiting adoption at the *Humane Association of Warren County* in Lebanon. The participants enjoyed learning a new craft and making something for animals in their community. They even made a few extra to take to their furry friends waiting for them at home! If you are interested in doing this activity, you can find the instructions and required materials needed by following this link:
