Alcohol Free Surface & Equipment Foam

Product codes	Quantity
ME901003	650ml

Medi9 Surface Sanitising Foam is designed for every day use in environments where the transfer of germs is a concern.

This high performance sanitising foam is independently proven to be effective against bacteria, spores, viruses and fungi including Coronavirus, Clostridium difficile, MRSA and Norovirus.

Each application brings broad spectrum pathogen protection and biological cleanliness to large areas in an instant. From floors, walls and surfaces to equipment and apparatus, the alcohol free, ready to use, no water formulation provides easy instant germ protection to any environment in seconds.

Features:

- RTU - Ready to use
- Handy size trigger spray bottle
- Spray on, wipe and leave - no need to rinse off
- Provides residual protection - use as prevention as well as cure
- Excellent finish on chrome, stainless steel and aluminium
- REACH and COSHH exempt
- Fragrance free - Safe for use in food preparation areas
- Non-hazardous - safe for use in the vicinity of vulnerable people
- Alcohol, chlorine and triclosan free
- Safe to use in challenging environments and on sensitive equipment
