**Custom Orders:** Any modification to a standard door set such as split finish/style, latch size exchange or non-standard door thickness will be considered a custom item. Custom orders may require an extra business day. When ordering split styles, use the cost of the higher-priced item.

**Free Freight Minimum:** All orders totaling \$200 or more will be shipped FedEx Ground at no charge. On orders totaling under \$200, the customer will assume responsibility for shipping charges. Other FedEx Shipping options are available on a customer-pay basis.

**Expedited Orders:** Grandeur® builds all products to order. Most orders ship within 3–5 business days. Orders under \$750 can be expedited for \$35, while orders totaling more than \$750 can be expedited for \$70. Expedited orders ship within 2 days. Orders received after 10:00 AM MST will ship by the second business day.

**Returns:** All returns will require a completed RGA Request Form. Send your RGA Request Form to the fax or email below. There is a 25% restocking fee on all returned merchandise. No returns after 90 days will be permitted. A 35% restocking fee will be charged on returns made without prior RGA approval. Please be advised that the customer is responsible for all return freight.

## Return Contact Info

# WARRANTY

## Lifetime Mechanical Warranty

Grandeur® Hardware warrants to the original purchaser/user that our products will be free of material and mechanical defects so long as the purchaser/user occupies the residential premises on which the products were originally installed. Exceptions to this warranty include products that have been incorrectly installed or mistreated, common area applications, and non-residential applications. Product finishes are addressed in our Finish Warranty.

## 10-Year Finish Warranty

Grandeur® Hardware products are protected by a durable topcoat to maintain their beautiful, high quality finish. Grandeur® Hardware warrants to the original purchaser/user that our finishes are free from defects in material and workmanship to include tarnishing, flaking, or discoloration so long as the purchaser/user occupies the residential premises on which the products were originally installed for ten years from date of purchase. Finishes on exterior installations in Coastal Areas are warranted for one year only. Exceptions to this warranty include scratching or abrading from normal use, incorrectly installed or mistreated products (including use of chemical cleaners), common area applications, and non-residential applications.

## Claim Procedure

Once a warranty claim has been approved and the product returned to Grandeur® Hardware, we will either repair or replace the product, at our discretion, to satisfy the claim. Liability shall be limited to the maximum dollar amount of the original purchase price. Proof of purchase is required.

In order to maintain the brand integrity of its products, Regal Brands will not do business with any Dealer who sells or offers to sell our Nostalgic Warehouse, Grandeur Hardware, Viaggio and/or Ageless Iron Hardware branded products at prices less than 75% of the list prices as published in the current price books, or as modified on occasion by Regal Brands for promotional purposes. (Please note that for the purposes of the MAP policy, each Regal Brand will be reviewed separately.) If and when Regal Brands becomes aware that a Dealer has failed to comply with this MAP policy, Regal Brands will take corrective actions, including:

1. Sending a MAP violation notice to acknowledge the price discrepancy, and requesting corrective action from the Dealer within 10 days.
2. Regal Brands will not take further action if the Dealer in violation reverts to MAP compliant pricing.
3. If no corrective action is taken after 10 days, Regal Brands reserves the right to not accept any orders for the Brand with the MAP violations. Once the MAP violations are corrected, orders will be accepted as usual.
4. If a subsequent MAP Policy violation occurs for a Regal brand within one year of receiving notice of the first violation, Regal Brands reserves the right to permanently not accept any orders for the Brand with the MAP violations.

Pursuant to applicable state and federal laws, the terms of this policy are non-negotiable, imposed unilaterally by Regal Brands, and apply equally to all of our Dealers. Additionally, Regal Brands does not require any agreement, approval, or other assurance from you that you will comply with this policy.

### Passage Set (PSG)

Active latch with no locking mechanism. Knob is always unlocked. **PLEASE SPECIFY HANDING** on all locks with levers. Standard door range: 1-3/8" to 2" thick, extendable to 2-1/4" with kit.

### Single Dummy (SD)

Non-functioning door set with no latch and no locking mechanism, used on one side of door (typically used with roller catch, flush bolts or surface bolts). Surface mounted. **PLEASE SPECIFY HANDING** on all locks with levers.

### Single Cylinder (SC) Deadbolt

Manually operated bolt for entry door with keyed cylinder on the exterior and thumbturn on the interior. Standard door range: 1-3/4" to 2" thick, extendable to 2-1/4" with kit.

### Combo Pack

Matching passage set and single cylinder deadbolt. **SPECIFY HANDING** on all locks with levers. Standard door range: 1-3/4" to 2" thick, extendable to 2-1/4" with kit.

### Privacy Lock (PRV)

Active latch with locking mechanism. Privacy pin provides locking through rose or long plate. **PLEASE SPECIFY HANDING** on all locks with levers, and all long plate privacies. Standard door range: 1-3/8" to 2" thick, extendable to 2-1/4" with kit.

### Double Dummy (DD)

Two non-functioning door sets (with no latch) are used on both sides of a door, or on side-by-side or French doors (typically used with roller catch, flush bolts or surface bolts). Surface-mounted only. **PLEASE SPECIFY HANDING** on all locks with levers.

### Double Cylinder (DC) Deadbolt

Manually operated bolt for entry door with keyed cylinder on both the exterior and interior. Standard door range: 1-3/4" to 2" thick.

### Complete Handleset (Single Cylinder)

Thumb-operated latch with keyed deadbolt paired with an active latch set with thumbturn-operated deadbolt. Standard door range: 1-3/4" to 2" thick, extendable to 2-1/4" with kit.

**Complete Handleset  
(Double Cylinder)**

Thumb-operated latch with keyed deadbolt on both sides. Standard door range: 1-3/4" to 2" thick, extendable to 2-1/4" with kit.

**Complete Handleset  
(Dummy)**

Non-functioning grip set and deadbolt with non-functioning knob/lever.

**STANDARD PRODUCT INFORMATION**

Door Range (Passage & Privacy): .....1-3/8" to 2"

Door Range (Handlesets, Deadbolts & Combo Packs): .....1-3/4" to 2"

Backset: .....2-3/8" (Standard)  
2-3/4" (Available)

Latch:.....Tubular

Latch and Strike Faces: .....Square, with radius on request.

Cylinder:.....5-pin, C-keyway

Keying: ..... Keyed Different (KD) & Keyed Alike (KA) available.

**DOOR HANDING**

Handing, either left hand (LH) or right hand (RH), is required for all locks with levers, and all long plate privacies. This is necessary for correct lever positioning.

**Inside of Door** - The **Inside** of a door refers to the side of the door that faces the room. For example, for a bedroom door on a hallway, the **Inside** of the door would face the bedroom.

**Outside of Door** - The **Outside** of a door refers to the side of the door that faces away from the room. The **Outside** of a door is generally more visible to visitors, and therefore a rosette on this side of the door has no visible screws. For example, on a bedroom door, the **Outside** would face the hallway.
