# Industrial Direct Purchase Programs

Fire Resistant Coveralls, Parkas,  
Bibs, and Workwear

# Our History

- AlSCO is a family owned company founded in 1889, providing uniform and textile supply services worldwide for over 130 years.
- Pioneering and leading the industry globally, we have locations in Australia, Brazil, Germany, Italy, Singapore, New Zealand, United Kingdom, and all over North America.

# Our Canadian History

Today the AlSCO Edmonton production facility is a:

- 67,000 square foot facility
- Sitting on 3 Edmonton lots
- With over 100 employees

# How AlSCO Can Help Your Garment Program

- From a logistics perspective, AlSCO has more experience servicing more customers in more countries for more years than any other image wear service provider in the world.
- AlSCO high visibility fire resistant coveralls and bib overalls are made in Edmonton, Alberta, Canada.
- Garments are manufactured to exact specifications and are all suitable for an industrial wash process.
- All garments can be custom-made to all required specifications
