

to unfold

1. Unzip the travel bag and remove the frame and mattress.

2. Place the travel cot in the vertical position and open the touch fasteners to remove the mattress.

to fold

5. With the upper part of the travel cot in the closed position, push all four feet together. Wrap the mattress around the travel cot with the padded section facing inside.

6. Fasten the touch fasteners and secure. Place back into the travel bag.

to fold

3. Pull the band in the centre of the base upwards.

4. Locate the locking catch at the centre of each side rail. Press the release button located on the underside of the rail. Continue to press the release button whilst gently lowering the side rails.

WARNING! If the top rails do not release, ensure that the base is raised fully and lift the rails slightly before pressing the release button.

to unfold

3. With the feet on the floor pull the feet apart so that they are approximately 60cm/ 24" apart. Lift the smaller sides upwards until they lock into position. Repeat for the longer sides.

4. Push the floor centre until it is completely flat and stable.

to unfold

5. Place the mattress in the cot with the padded side up. Insert the four velcro tabs through the slots in the base of the cot.

6. Once inserted, fold back the velcro tabs and secure underneath the travel cot to secure the mattress in position.

The cot is now ready for use. Ensure all locking mechanisms are engaged before use.

to fold

1. Undo the four velcro tabs from underneath the travel cot.

2. Remove the velcro tabs from the base of the cot and remove the
