**CHENIN
BLANC**

**2009
MARGARET RIVER**

Marri Wood Park is a boutique family run and owned, Demeter certified biodynamic vineyard. Established 1992 in Yallingup, Western Australia, located on Caves Road, a stone throw from Smiths Beach.

Our biodynamic philosophy utilises sustainable, chemical free practices. Applying the timing and movement of celestial objects to predicate pruning, live animal fertilising, and picking; complementing our natural and introduced bio-diversity as an ecologically beneficial approach to farming.

Tasting Notes

A rare and beautiful wine from our Reserves, we are proud to offer our 2009 Chenin Blanc as a special release. It is a beautiful light golden colour in the glass, while the fragrant nose shows some primary fruit notes – think apricot and lime - as well as some more classic developed characteristics of honeysuckle and toast. On the palate, the mouth-watering high acid line that Chenin Blanc is famous for is still very much evident, tempered only slightly by age. The wine finishes with a elegant flourish of gentle richness.

Winemaking

Made by Bob Cartwright to be aged for a lengthy period, this wine still looks spectacularly fresh with over 12 years in bottle.

Quick Notes

Vintage: 2019
Winemakers: Bob Cartright
Grape Variety: 100% Chenin Blanc
Growing Area: Margaret River, WA
Cellar Potential: Long cellar potential
Oak: French Oak
