**2022
MARGARET RIVER**

Marri Wood Park is a boutique family run and owned, Demeter certified biodynamic vineyard. Established 1992 in Yallingup, Western Australia, located on Caves Road, a stone throw from Smiths Beach.

Our biodynamic philosophy utilises sustainable, chemical free practices. Applying the timing and movement of celestial objects to predicate pruning, live animal fertilising, and picking; complementing our natural and introduced bio-diversity as an ecologically beneficial approach to farming.

Tasting Notes

A gorgeous lift of warm lemon skin, nashi pear and sweet white florals. Incredibly juicy and bright, with expansive drive and length. The acid is poised yet gentle with a lick of oak offering texture and weight. Mouth wateringly delicious.

Emma Farrelly, The Wine Pilot

Winemaking Notes

The grapes were hand-picked and transferred to Piero for hand sorting to remove a small portion of powdering mildew damaged fruit, while the remaining fruit quality was good. The fruit was whole bunch pressed to tank, racked to another tank and inoculated with yeast. The fermenting juice was transferred to barrel and amphora for fermentation and maturation.

Viticulture Notes

Vintage 2022 was a good year, with no real bird damage due to presence of Marri Wood blossom. Heavy winter rains meant that it was a late vintage, however there were no further significant rain events, so the grapes were in optimum condition at harvest.

Quick Notes

Vintage: 2022
Winemaker: Nic Peterkin
Grape Variety: 100% Chenin Blanc
Growing Area: Margaret River, WA
Alc %/Vol: 14.2%
Titratable Acidity: 8.63 g/L
pH: 3.16
Oak: 9-10 months into
1x 500L Barrel
1x 500L amphora (Malo)
1x 225L Barrel
Cellar Potential: 10+ years
