Directions for Use & Assembly

Banners
Use these banners to decorate your prayer corner, table, or mantle. There is a colored option and a black and white option. For the B/W option, print on colored paper for a pop of color. Cut, hole punch and string in the order you want. There is the month of the year, saints with feast days this month and other significant dates this month. You can combine them or make multiple banners. If a day does not have a fixed date in the liturgical calendar, I did not include the date on the banner so that you can use this every year.

Crowns
Crowns can be assembled multiple ways. Color, cut out, punch holes and tie a piece of yarn in head.
Or color, cut out and use the extra strip provided to make the crown fit your student's head. Staple/lap the piece to the crown. You could also use a sentence strip or random strip of paper to make the crown the correct size.

*For more durability, print on cardstock.
