## SPRING ELA TASK CARDS

- Set includes 32 cards once they are all cut apart.
- These task cards are designed for second grade but could be used as a review for third grade. These task cards include a variety of questions at multiple skill levels.
- Includes the following skills:  
fact/opinion, proper nouns, long/short vowels, sight words, punctuation, parts of speech, ABC order
- There is a black/white (ink saver) set and an identical colored set. They have the exact same problems, just your preference as to how you want to print.
- After the black and white set you will find a student recording sheet and then a teacher answer key.

## IDEAS FOR USING TASK CARDS

- As a center/station for math centers or math workshop, students work through them at their own pace
- Problem of the day that they all work on when they first come in or during calendar
- As a preassessment for a unit you haven't taught yet to see what they know about the topic and a way to group them by ability
- As an assessment at the end of a unit
- As a review before the end of a unit
- As a chance for the class to get up and move – place all over the room and they have to wander and find all the cards and solve
- Use in a game such as Scoot – place a different card on each desk, after a set amount of time, have them move to the next desk until they've completed all the cards
- Tape a card on each student (use wash/scrapbooking tape that is easily removed), pair them up and they will work to solve their partner's problems, then they can move and find a new partner
- Early finishers can work on solving problems when they finish their other work
- Interactive bulletin board that they can go up to and work on solving during a set time during the day
- Sent home as homework
- Cut and paste into math journals and solve
