Directions: Each player needs 10 markers/pieces. Put a paperclip on the spinner & hold it in place. Spin the spinner and multiply that number by the number in the box it landed on. If you have a marker in the box, bump it. If not, place your marker there.

INCLUDES:

- 10 different printable multiplication board games with a Thanksgiving theme
- Color version & black and white
- Directions for use

TO PLAY BUMP:

Directions: Each player needs 10 markers/pieces. Put a paperclip on the spinner & hold it with a pencil. Take turns spinning and multiplying that number by the number in the bottom right corner. Cover the answer. If you land on a number twice, it is locked. If the other player lands on a number that has one of your markers on it, they can BUMP you off. First player to use all of their pieces wins!

SPIN & MULTIPLY BUMP

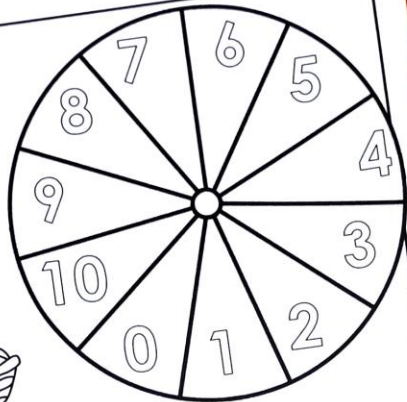

A grid of 12 multiplication problems, each in a rounded rectangular box. Some boxes are enclosed in dashed lines, indicating they are to be removed. The problems are:

- 56 (with a yellow leaf sticker)
- 40
- 64
- 32
- 48 (with a yellow star sticker)
- 71 (with a yellow star sticker)
- 0 (with a red star sticker)
- 21 (with a red star sticker)
- 16 (with a yellow star sticker)
- 8 (with a red star sticker)
- 80 (with a red star sticker)
- 8 (with a green polka-dot sticker)

Decorative elements include a pumpkin sticker on the 71 problem, an acorn sticker on the 8 problem, and a pink leaf sticker on the 32 problem.
